

SHERSTON NEIGHBOURHOOD PLAN DECISION STATEMENT (PROCEEDING TO REFERENDUM)

1. INTRODUCTION

- 1.1. Pursuant to the Wiltshire Council constitution and in particular Part 3B, the Director for Economic Development and Planning within whose remit Spatial Planning falls is authorised to make decisions on Neighbourhood Plan proposals following the examination of a Neighbourhood Plan proposal in accordance with the Town and Country Planning Act 1990 (as amended) and the Neighbourhood Planning (General) Regulations 2012 (as amended) and all other relevant legislation.

2. BACKGROUND

- 2.1. The designated area for the Sherston Neighbourhood Plan comprises the whole of the parish of Sherston. On 28th February 2013 Wiltshire Council formally approved that the Sherston Neighbourhood Area (i.e. the land within the parish of Sherston) be designated in accordance with the Neighbourhood Planning (General) Regulations 2012.
- 2.2. Sherston Parish Council – the ‘qualifying body’, submitted the draft Sherston Neighbourhood Plan (Submission Plan September 2018), along with supporting documents, to Wiltshire Council in September 2018 for consultation, independent examination and the remaining stages of the draft Plan’s preparation in accordance with the Neighbourhood Planning (General) Regulations 2012.
- 2.3. Following submission of the draft Sherston Neighbourhood Plan, Wiltshire Council publicised the Plan and supporting documents and invited representations during the consultation period 1st October to 12th November 2018.
- 2.4. In November 2018 Wiltshire Council appointed an independent examiner, Mr Nigel McGurk to examine the Plan and consider whether it should proceed to referendum.
- 2.5. The examiner’s report was received in February 2019 and concluded that subject to making the modifications recommended in the report, that the draft Plan meets the Basic Conditions and should proceed to referendum. The examiner also recommended that the Sherston Neighbourhood Area (the parish area) is an appropriate area within which to hold a referendum.
- 2.6. In accordance with legislation, Wiltshire Council must consider each of the recommendations made in the examiner’s report, decide what action to take in response to each recommendation and what modifications should be made to the draft Plan in order to be satisfied that it meets the Basic Conditions and is compatible

with Convention Rights. If the authority is satisfied then a referendum must be held. Consideration also needs to be given as to whether to extend the area to which the referendum is to take place.

3. DECISION AND REASONS

- 3.1. Having considered the examiner's recommendations and reasons for them, the Council concurs with the examiner's view and have decided to make modifications to the draft Sherston Neighbourhood Plan to ensure that it meets legal requirements including the Basic Conditions as set out in legislation, and to correct errors. Appendix 1 sets out these modifications, together with the reasons for them.
- 3.2. The Council is satisfied that the Neighbourhood Plan, as modified, complies with the legal requirements and can proceed to referendum.
- 3.3. The Council also agrees with the examiner that the referendum area should reflect the extent of the Sherston Neighbourhood Area.
- 3.4. I declare that I have no private interest in respect of this matter that would prevent me from making this decision.

Signed:

Alistair Cunningham
Corporate Director
Growth, Investment & Place
Wiltshire Council

Dated: 11th March 2019

APPENDIX 1

Modifications to the draft Sherston Neighbourhood Plan 2006 to 2026 in response to the Examiner's recommendations and to correct errors

Guidance for using this document

The following table sets out the modifications that are required to be made to the draft Sherston Neighbourhood Plan 2006 to 2026, together with an explanation and reason for the modifications. This should be read alongside the report (January 2019) of the Independent Examiner Nigel McGurk to Wiltshire Council on the Sherston Neighbourhood Plan.

Throughout the table, specific changes that are required are shown as follows:

- text in **bold and underlined** identifies new text to be added to the Plan.
- text that is shown as ~~strike through~~ identifies text to be deleted from the Plan.

The relevant paragraph, policy and page numbering relates to the draft Sherston Neighbourhood Plan 2006 to 2026 (hereafter referred to as the 'SNP'), as submitted to Wiltshire Council.

The final Sherston Neighbourhood Plan to be published for the purposes of the referendum, will need to renumber the policies and paragraphs as appropriate following the insertion of changes.

Modifications to the draft Sherston Neighbourhood Plan 2006 to 2026 in response to the Examiner's recommendations and to correct errors

Required Modifications Ref No.	Page in examiner's report	Related page / section in SNP	Recommendation and required modifications	Reason for Modifications
RC34	Page 32-33	Page 24, Policy 5 and Pages 35-39, Appendix 2	<p>EXAMINER'S COMMENTS:</p> <ul style="list-style-type: none"> - Change the content of Appendix 2 as follows: 1 Landscape. During my site visit I noted that the site is not "virtually invisible" from its surroundings and views of the Church are not "virtually invisible." It is not clear why the Development Brief appears to suggest that landscape issues are not a constraint – given the sensitivities of the site, landscaping is an essential consideration. It is noted that the content of this section appears to suggest that Leylandii trees "hide" the site, whilst the next section recognises trees as being species poor and they are recommended for removal in the supporting information. Such removal would have a significant impact in respect of opening up the site. <p>Delete second, third, fourth and last bullet points.</p> <p>REQUIRED MODIFICATION:</p> <ul style="list-style-type: none"> - 1. Landscape, delete the second, third, fourth and last bullet points as follows: <ul style="list-style-type: none"> • The entire village lies within the designated Cotswold Area of Outstanding Natural Beauty (AONB). • The proposal site is centrally located within the existing settlement but is currently virtually invisible from any public viewpoints beyond the immediate locality. • The western site boundary comprises a line of existing leylandii trees – all lying inside the present site boundary. These are well over 7 metres tall and totally obscure the site (and views into and beyond) when viewed from the west. • There are no public viewpoints from the south. Available views from the north are from Green Lane itself – but these 	For clarity and to meet the Basic Conditions.

APPENDIX 1

Modifications to the draft Sherston Neighbourhood Plan 2006 to 2026 in response to the Examiner's recommendations and to correct errors

Required Modifications Ref No.	Page in examiner's report	Related page / section in SNP	Recommendation and required modifications	Reason for Modifications
			<p>are confined to views of the existing dwellinghouse and not much further because of the placement of the existing dwelling and vegetation on the site frontage. The Holy Cross Church to the south of the site is virtually invisible except from viewpoints further eastwards along Green Lane.</p> <ul style="list-style-type: none"> • Landscape issues are not considered to present a significant constraint in this context. There are however significant potential benefits deriving from the removal of the existing leylandii tree screen that runs along the entire western site boundary. • The site is visible from the adjoining churchyard to the east but is separated from such by a high rubble stone wall. • Landscape issues are not considered to present a significant constraint in this context. There are however significant potential benefits deriving from the removal of the existing leylandii tree screen that runs along the entire western site boundary. 	
RC35	Page 32		<p>EXAMINER'S COMMENTS:</p> <ul style="list-style-type: none"> - Change the content of Appendix 2 as follows: Much of the Heritage Section appears as a subjectively worded summary of a heritage appraisal and to some degree, also appears to pre-determine a detailed development proposal. Some of the commentary reads as though it comprises a supporting statement for a planning application, which would not be appropriate for inclusion in the Neighbourhood Plan. I recommend instead that a number of bullet points in this Section are deleted and a simple reference is made to the heritage appraisal that has been undertaken. <p>Thus, following the third bullet point add a new bullet point "A heritage appraisal has been undertaken by Border Archaeology and this can be made available by</p>	For clarity and to meet the Basic Conditions

APPENDIX 1

Modifications to the draft Sherston Neighbourhood Plan 2006 to 2026 in response to the Examiner's recommendations and to correct errors

			<p>the Parish Council.”</p> <p>Delete bullet points four, five, six, seven, eight, nine, ten and eleven (“The Heritage...this boundary.”)</p> <p>REQUIRED MODIFICATION:</p> <ul style="list-style-type: none"> - III Heritage Matters, add new fourth bullet point, as follows: <ul style="list-style-type: none"> • <u>A heritage appraisal has been undertaken by Border Archaeology and this can be made available by the Parish Council.</u> - III Heritage Matters, delete bullet points four, five, six, seven, eight, nine, ten and eleven as follows: <ul style="list-style-type: none"> • The Heritage Assessment that has been prepared by Border Archaeology notes that: “there is potential for groundworks within the site to reveal buried features and deposits associated with the large enclosure marked on historic mapping to the west of the church, including evidence for the northern arm of the enclosure ditch depicted on historic maps as extending within the SW corner of the site, as well as associated occupation features of possible Saxe Norman date.”This part of the site is proposed to be set aside for use as additional burial space. • The landowners have had prepared draft plans showing how the proposal site might be developed should it be allocated for development in the NP. These have been considered by Border Archaeology (BA) in their Heritage Assessment. • These plans show the proposed new Vicarage situated close to the western boundary wall of the churchyard in the southern half of the site. BA consider that this will inevitably feature as a peripheral element in views of the church as experienced 	

APPENDIX 1

Modifications to the draft Sherston Neighbourhood Plan 2006 to 2026 in response to the Examiner's recommendations and to correct errors

Required Modifications Ref No.	Page in examiner's report	Related page / section in SNP	Recommendation and required modifications	Reason for Modifications
			<p>looking south from within the western half of the adjoining churchyard. The oblique orientation of the new Vicarage as shown on the draft plan, however, and the introduction of new tree and hedge planting along the eastern boundary of the site adjoining the churchyard, should soften the visual impact on the setting of the church. To further reduce the potential visual impact, it has been suggested that the new Vicarage be set back further from the churchyard boundary and that additional tree and hedge planting should be carried out along the full length of this boundary (up to Green Lane).</p> <ul style="list-style-type: none"> • BA are of the opinion that the proposed development on this site will not have a direct impact on any of the listed monuments within the adjoining churchyard. However, the settings of specific groups of funerary monuments, located in the W and SW portions of the churchyard could potentially be affected by these proposals. The new Vicarage, located close to the W boundary of the churchyard, will evidently feature to varying degrees in views of these groups of monuments looking NW and W across the churchyard. It will be particularly apparent in views looking across the churchyard from the group of five monuments situated NW of the nave and from the Estcourt-Cresswell enclosure and to a lesser degree from the clusters of monuments in the SW corner of the churchyard, from where views towards the new Vicarage will be largely obscured by existing tree cover. The potential visual impact will be lessened by the oblique orientation of the proposed Vicarage house and appropriate tree and hedge screening to further limit views of the new buildings from the churchyard. Particular attention will need to be given to the scale, massing and architectural detailing of both houses (and particularly the new Vicarage) to ensure that they respect the setting of the churchyard and its monuments. • The construction of two new houses on the proposal site will inevitably result in a marked change to the setting of the medieval village. The intention, however, is to allocate the 	

APPENDIX 1

Modifications to the draft Sherston Neighbourhood Plan 2006 to 2026 in response to the Examiner's recommendations and to correct errors

			<p>southernmost portion of the site containing the monument as an extension to the churchyard. This will be separated from the curtilage of the two new houses by a 1.5m high stone boundary wall. The secluded character of the immediate setting of the cross will thus be maintained and it will also be accessible to public view. It is suggested that this could represent an opportunity to conserve the existing fabric of the cross which is in a heavily weathered condition and to insert an appropriate display board describing the history of the monument.</p> <ul style="list-style-type: none"> ● BA do not consider that the proposed development will directly impact on views of the Old Vicarage as appreciated from Church Street or the southern portion of the churchyard. However, there is potential for views looking from and towards the rear of the house to be slightly changed as a result of these proposed new houses, in particular the new Vicarage which will be located closest to the rear (NW) boundary of the Old Vicarage garden. However, it should be noted that the new Vicarage will be clearly demarcated from the curtilage of the Old Vicarage by a new boundary wall (1.5m high) and tree screen and separated from such by the proposed churchyard extension. BA suggest that the existing tree and hedge cover along the boundary with the Old Vicarage should be retained and the orientation of the new house specifically designed to further reduce any potential visual impact on the Old Vicarage and its curtilage. ● The proposed removal of the tall Leylandii tree screen along the western boundary of the site will open up views of the church together with the new houses. Historic maps and aerial photographs confirm that the existing tree screen is a late 20th century addition, post 1971. While the opening up of views of the church, which have been concealed by this modern coniferous tree screen for about 40 years, is to be broadly welcomed, it is considered that there should be some replacement deciduous tree planting along this boundary to 	

APPENDIX 1

			<p>ensure its leafy, secluded character is maintained and to soften views of the two new houses which will be discernible in views from the adjoining recreation ground and more distantly from Court Street.</p> <ul style="list-style-type: none"> The proposal site is located within the historic core of Sherston, in close proximity to the Grade I listed parish church and churchyard, a highly picturesque and historically important locale which probably represents the site of the early medieval settlement of Sherston. However, while the new houses (in particular the new Vicarage) will clearly result in a discernible change to established views of these heritage assets, especially when viewed from the churchyard, it is considered that these impacts can be mitigated through sensitive design and appropriate landscaping measures to minimize the visual intrusion of the new properties. This to include enhanced tree and hedge planting along the boundary with the churchyard and moving the proposed new Vicarage further back from this boundary. 	
RC36	Page 32		<p>EXAMINER'S COMMENTS:</p> <ul style="list-style-type: none"> - Change the content of Appendix 2 as follows: III Heritage Matters - Delete last sentence of twelfth bullet point ("It should be noted...designation.") as it confuses characteristics with "designations" <p>REQUIRED MODIFICATION:</p> <ul style="list-style-type: none"> - III Heritage Matters, amend twelfth bullet point, as follows: • The SCAS identifies a number of different "key areas of character" within the village.
