Sherston Old School Community Interest Company

This template illustrates what the Regulator of Community Interest Companies considers to be best practice for completing a simplified community interest company report. All such reports must be delivered in accordance with section 34 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and contain the information required by Part 7 of the Community Interest Company Regulations 2005. For further guidance see chapter 8 of the Regulator’s guidance notes and the alternate example provided for a more complex company with more detailed notes.

PART 1 - GENERAL DESCRIPTION OF THE COMPANY’S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company’s activities in the financial year to which the report relates, including a fair and accurate description of how they have benefited the community, or section of the community, which the company is intended to serve.

The company was set up by Sherston Parish Council to renovate and convert for commercial and community use the Old School premises in High Street, Sherston. Completion of the purchase of the premises took place only on 1 April 2011 and during the period under review the major part of the necessary renovation and restoration work on the premises has been completed and the first tenant, Sherston Post Office & Stores, successfully installed.

Tenants were identified for the remaining space and, in the expectation that these would be converted into firm tenancies and that satisfactory finance would be available, the directors continued the works in the latest financial year, and have now largely completed them.

Once complete, the premises will offer new commercial opportunities for local businesses and employment possibilities for around 25 people.

(If applicable, please just state “A social audit report covering these points is attached”).

(Please continue on separate continuation sheet if necessary.)
PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company’s stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

The project has the huge support of the community through surveys. An in-depth consultation in May 2008 balloted 1,300 villagers of whom 722 replied and 690 of those (95%) were in favour. Cllr John Thomson, Deputy Leader Wiltshire Council, recently wrote ‘I am very pleased to be able to support this project … A scheme like this could become the envy of many other rural villages in Wiltshire and the blue-print for others to follow. I wish it every success. SOSCIC has since won the Wiltshire Council Voluntary and Community Award 2012 for Community Leadership.

At the date of this report the company has 285 members.

All members were invited to meetings on 20 June and 7 November 2011 to hear the latest about the project, the latest ideas about timetable, to get answers to questions and to have an opportunity to get involved. (If applicable, please just state “A social audit report covering these points is attached”).

PART 3 – DIRECTORS’ REMUNERATION – if you have provided full details in your accounts you need not reproduce it here. Please clearly identify the information within the accounts and confirm that, “There were no other transactions or arrangements in connection with the remuneration of directors, or compensation for director’s loss of office, which require to be disclosed” (See example with full notes). If no remuneration was received you must state that “no remuneration was received” below.

PART 4 – TRANSFERS OF ASSETS OTHER THAN FOR FULL CONSIDERATION – Please insert full details of any transfers of assets other than for full consideration e.g. Donations to outside bodies. If this does not apply you must state that “no transfer of assets other than for full consideration has been made” below.
