

Sherston Boules News

It's nearly here! Boules Day is on Saturday 15 July, with 128 teams ready to pit their wits - and boules - against each other in this annual village event. This edition of the Cliffhanger has a 'pull-out' timetable for the week, starting with Sherston Senior Club afternoon tea on Tuesday 11 July at the Carpenter's Arms, and finishing with the Thanksgiving Service on Sunday 16 July at 6.00pm.

With events running from the Tuesday to the Sunday, there really is something for everyone: skittles, cricket match and bbq, music, dancing, food and drink, entertainment for all, games, raffle, tombola, duck race, and afternoon teas at Mill Cottage ... the list runs on and on. So, turn to the centre pages, pull out your timetable and join in the fun!

We are still hoping for lots more tombola prizes; now is the time to turn out your cupboards and check your shelves to contribute to this very popular stall. Gifts need to be new and unused, and bottled items need to be within sell-by date, please. Remember, all proceeds are distributed amongst local groups. There are several drop-off points around the village: James Pyle at The Old School House, The Tolsey Surgery, 4 Strongs Close (Ann Lawrence) or Pheasants Crossing, Sandpits Lane (Margot Holland).

One final and very important note: Boules Day would not go ahead without a number of dedicated volunteers. Several of the current committee members have run Boules Day for the last three years and quite

rightly feel it is now time for some new blood. So... come along, enjoy the event and please consider putting yourself forward to run next year's event - speak to any of the current committee, or pop in to see James and Sam Pyle on the High Street.

What's On: contact Caroline Moore on

The size and content of the Cliffhanger depends entirely on the amount of copy we receive from individuals and groups. So, if you feel you have something of interest, please don't hesitate to tell us. Around 400 words would be a maximum but the shorter the better and less editing would be needed.

Top tip: if you're telling us of an event coming up, write a short piece about it rather than just supply basic details or a poster. You will then get a short article published to help boost interest as well as a mention in our What's On section. Don't forget to tell us how your event went, with a photo if possible.

Wiltshire Big Wheel

Wiltshire Air Ambulance Charity Ambassador Lauren Booth is encouraging people to get on their bicycles and take part in the Wiltshire Big Wheel/100 event.

The popular cycling challenge raises vital funds for Wiltshire Air Ambulance and has a choice of routes to suit cyclists of all abilities.

This year's event is taking place on Sunday 17 September and bookings are now being taken.

Lauren, a Champion Para-cyclist of Chippenham and a member of the British Cycling Academy, completed the 45 mile route in the Wiltshire Big Wheel last year and is going to do so again in this year's event.

Lauren said: 'I really enjoyed taking part in the Wiltshire Big Wheel last year and it was interesting to explore different places in the county. I'm looking forward to doing it again this year and to the challenge of doing the 45 mile ride. The event is a great way to raise funds for Wiltshire Air Ambulance's lifesaving service while at the same time enjoying the countryside and keeping fit.'

Organised by Bristol-based Bike Events the event starts and finishes at The Green in Devizes. The routes are a 12 mile family challenge through the Vale of Pewsey, 45 miles which goes through Pewsey

and Marlborough or 100 miles which extends to the Wylve Valley and Salisbury.

Kenresa Stratford, Fundraising & Events Co-ordinator at Wiltshire Air Ambulance, said: 'This will be the third year that we have been involved with the Wiltshire Big Wheel and 100 event and we are thrilled to once again be the sole charity partner. This event has gone from strength to strength and last year more than 400 people took part and raised over £32,000.'

'We are looking forward to making this year bigger and better as it's a great event that offers a variety of routes that you can explore. It's brilliant to once again have the support of our Charity Ambassador Lauren Booth. We'd love to encourage you to challenge yourselves, your families or your colleagues to hop on your bicycles and see what our stunning county has to offer, whilst raising funds to keep our helicopter flying and saving lives.'

To book a place or for more information call the Charity Team on 01380 739453, email kenresa@wiltshireairambulance.co.uk or go to our website www.wiltshireairambulance.co.uk/events/wiltshire-100-big-wheel

Lin's marmalade

Thank you to everyone who has bought my marmalade or made a donation this year, enabling me to donate a total of £450, divided between Sherston Senior Club, the Village Hall, and 1016. Thank you too to Paul and Gail for their support and letting me 'set up shop' outside the PO. I have sold out now — so until next January and the Seville orange season...

It was very helpful to have some of your orders this year, as it gave me an idea of how much I needed to make, and therefore approximate quantities of ingredients. So, nearer the time (perhaps November/December) do ring me (840846) with your requests.

Sherston Senior Club

On 16 May our Mystery Tour took us around Clifton and the Cumberland Basin in Bristol and we ended up in Clevedon for tea. This was quite a nostalgic journey for some of our members who hadn't been in the Clifton area for years.

On 30 May we were back in the small room of the Village Hall, where speaker Yvonne Cox, a member of Wiltshire Wildlife Trust, told us about the damage being done to the environment and particularly hedgehogs.

On 13 June we were hoping for a sunny day in Weston-Super-Mare and on 27 June we will be having our garden party weather permitting at 21 Church St, by kind permission of Rosemary Venning.

Looking forward we are having our Boules Tea Afternoon on 11 July in the Carpenters Arms. At 2.30pm. Entertainment will be by singing group 'End of the track'. Members £5.00 visitors £7.00

On 25 July Optimum Mobility will be demonstrating their aids to easier living, this will be in the Village Hall at 2.30pm.

Please contact Helen Quirk on 840516 for any further information

The full music line-up is on the Boondocks website as is all the other info you might need – it's all at www.theboondocksfestival.co.uk

We also have openings for a small number of crew to work on all aspects of the festival - so if you (or anyone you know – 18s plus) would like to get involved, just drop an email to volunteers@theboondocksfestival.co.uk and we will sort you out with free tickets, free food, free drink and maybe - just maybe - a walkie talkie!

News from Holy Cross Church

From time to time people ask me about confirmation – how to go about getting confirmed, when is the next service, and what is confirmation about? Confirmation is an act of worship in which adults and children declare their Christian faith and their intent to live as disciples of Jesus. They ‘confirm’ the promises made for them at baptism, hence the name. However, nowadays quite a number of people were not baptised as babies, and so the confirmation service often includes a baptism too. It is a wonderful, joyful event which is held annually in Malmesbury Abbey where there is the space, atmosphere and musical resources to make a once in a lifetime occasion.

The confirmation itself comes at the end of a preparation course, which we offer once a week during the Autumn. There are separate courses for young people of secondary school age, and for adults. The confirmation service itself will be on Wednesday 1 November 2017 in the Abbey. This feels like a long way off, but it’s remarkable how quickly the Autumn course comes upon us! So it would be great to know please, before the summer holidays, who would be interested in exploring being confirmed. Coming to the course does not commit anyone to being confirmed – it’s an opportunity to find out more. Please be in touch with me to find out more or to register an interest on 837522, Christopher. bryan123@btinternet.com

Every so often I go to see a spiritual director, who talks with me about my life and spiritual disciplines. This conversation is wide-ranging and one of the resulting things I’ve been focusing on is getting more exercise. The spiritual discipline of exercise? Certainly – keeping healthy is part of a balanced spirituality and I find that when I exercise my mood is better and my prayers more focused. So taking part on the Gauzebrook Gallivant and the associated training was

great on many levels: good company, an enjoyable day out, excellent food courtesy of our churches and Stanton Manor, and the chance to get some decent walking. I’m really pleased to announce that we have exceeded our fundraising target too, with £1278 being raised for our Children’s and Youth Worker’s ministry. Thank you so much to all those who took part, supported and sponsored, and most of all to Steve Ellis of Gemini Outdoor who organised and guided the whole Gallivant.

Special events coming up in July include the 6.00pm Boules Service in Sherston on 16 July, after the duck race. There will be Deanery Evensong at Malmesbury Abbey at 6.30pm, which replaces the usual evening services in our Group. Our Rector will be preaching and the choir at the Abbey will sing some special pieces.

The Gauzebrook Holiday Club is always a great event, much appreciated by children and parents alike! It will be held from Monday 24 July to Friday 28 July inclusive, from 10.00am to 12.00pm in Sherston school. All children of primary school age are welcome, but please register with Becky Fisher beforehand to ensure there are spaces – becky.fisher@deanery.org. The holiday club week will end with a special Group Service on Sunday 30 July in Holy Cross Sherston at 10.30am in the morning, which replaces services in other churches in our group that day.

Our Youth Worker Joel is staying with us for another year and will need somewhere to stay from September through to July 2018. If anyone has a spare room and can offer some meals (but not all and expenses will be paid) then please contact the Vicar on 837522.

Walk on the wild side

Surrounded by amazing wildlife ...

Summer is cracking along as we all realised in the recent heatwave. This caused quite a few problems, with young fledglings overheating and the Sherston Avon getting quite low, but overall most animals and plants are having a good season with lots of butterflies around.

We are surrounded by fantastic wildlife - as you may have seen on Springwatch! It just takes a little time and understanding to find out some amazing life cycles that have evolved locally. Here are some great examples ...

As you may know, we have a little freshwater shrimp (whose scientific name is *Gammarus pulex*) which gets eaten by fish etc. On a dawn chorus walk in May, Harriet Alvis from the Bristol and Avon Rivers Trust found a spiny-headed worm called *Pomphorynchus leavis* in the Sherston Avon. It is a really small wormy thing with a bright orange spot!! These infest the shrimp and, as the shrimp are almost transparent, the shrimp are easier for fish etc to find due to the orange spot. The spiny-headed worm's target is to infest the local fish population and uses the shrimp as an intermediate step. Smart worm!

Paul Ormiston kindly sent me a video of glow worms. Glow worms aren't actually worms - in this

country it's actually a beetle which grows up to 25mm called *Lampyrus noctiluca*. It's primarily the females who glow to attract males. They can't feed so only live for 14 - 21 days but, once the female has mated, she stops glowing, lays her eggs then dies. June and July are the best time to see them after dark (of course) and they are typically found in walls or low vegetation but can occur anywhere. If you do see any, please leave them alone!!

That's three scientific names in the last two paragraphs ... please keep reading!!

We are fortunate to have a healthy population of swifts in the village (the black birds that shriek up and down the High Street). They are the essence of an English summer and shouldn't be confused with the house martin or swallow - they aren't closely related but are a great example of convergent evolution. These amazing birds spend only three months here to raise their chicks and otherwise spend their whole life in the air - and that includes sleeping and mating! By the end of August they will be off back to West Africa for the winter as there will be lots more to eat there. Once the chick leaves the nest, it won't land again for two/three years when it's ready to raise a brood.

That's enough amazing facts for this month!!

BART 2017 WaterBlitz

Recently, the children who attend Forest School Club ventured from their usual site in the school grounds and went down to the River Avon to take on the role of citizen scientists. They took part in the Bristol Avon Rivers Trust (BART) 2017 WaterBlitz campaign, supporting a global research project investigating the health of freshwater ecosystems on a scale never seen before!

The campaign aimed to collect as many water quality samples as possible in a week, from across the Bristol Avon Catchment in partnership with FreshWater Watch.

Collecting river samples from three different sites, the children checked the water quality by assessing phosphate and nitrate levels. At each location, the water samples were used in colour dip tests and the children waited the required number of minutes for the results. They were very excited to see several samples turn a very bright shade of pink!

They found that there were reasonably low levels of phosphates, but very high levels of nitrates. Both

phosphate and nitrate are essential for plant life and healthy rivers, but too much can affect biodiversity. As well as the children thoroughly enjoying undertaking their investigations, their results will help BART gain an invaluable snapshot of the health of the river and benefit the direction of future conservation efforts.

Many thanks to Lottie Bostock for kindly allowing us to access her land and to all the parents who gave up their time to accompany us.

Window Wanderland; A Walking Trail to Light up our Winter

SHERSTON
ARTS 2017
FESTIVAL

Sherston, 7-8 October

Ok we know we haven't had Summer yet but we like to give plenty of notice so you can get your thinking caps on! Window Wanderland and Sherston Arts Festival have teamed up and we hope that lots of homes in Sherston will get involved and take part in our exciting new event! Be part of a magical weekend during the Sherston Arts Festival and have a go at making a colourful display in your window. The best part is that you don't need any artistic skill! All you need is a window, a bit of enthusiasm and pop in a form with your name and address on ASAP so we can put you on a map.

Window Wanderland started in Bristol in 2015 where people, just like you, made a display for their window or garden forming a walking trail for a winter's evening. We have extended it slightly as we are also running the trail during the day (to coincide with the scarecrow trail) with a special light-up trail on the evening of Sunday 8 October (6.30pm-9.00pm). Everyone is invited to make a display which can be big or small, from a single candle to a tissue paper cut

out on your window - anything goes! It's free to take part in and free to walk around.

Don't worry if you are stuck for ideas - check out www.windowwanderland.com and www.sherstonartsfestival.com - you can use any of them or just take a little inspiration from them! The only information we need from you now is a yes you would like to be involved - simply go to www.windowwanderland.com and click to the Sherston event and sign up online in 1 minute. Or contact Kirsty.strachan@icloud.com and I can put you on the map. It's that easy and we would love to see as many windows taking part as possible. It's all just for fun - and we are looking forward to seeing a different side to our lovely community!

Sherston schoolchildren hit the track at Castle Combe

The Friends of Sherston School's annual Castle Combe bike ride heralded a change in the weather at the end of June - with torrential rain forecast - wet weather gear was packed with the picnic gear! But the rain held off and over 90 children took to their scooters, bikes and trikes around the famous racing circuit, including 1st Sherston Brownies who held their weekly meeting there!

Each lap measures 3km and children (along with some hardy parents!) whizzed around the track, collecting stickers after each lap. While our youngest cyclist, Kate Seymour (3), completed a fantastic 6km, the older children challenged themselves to beat their lap times and circuits from last year.

Jake Law (year 5) completed 15 laps at top speed, one better than his 14 laps in 2016. While Giles Dannat, in full cycling gear, completed the most circuits - 18 laps, that's 54km! Some of our younger

school members were not to be outdone, however, with Lucas Waterhouse (age 7) clocking up an impressive 30km in just over two hours. We also had some runners this year, with Alex Moriarty (year 5) at the head of the pack.

It wasn't just parents and children, however, teachers came along too - Mr Stewart was part of the starting line-up, setting off at a great pace, while Mrs Box walked a fantastic 6km encouraging the children on two wheels all the way.

Each child was sponsored to take part and received a medal for their tremendous efforts. We are still awaiting the final count-up but above all it was a fantastic opportunity to race around a car-free track with friends - a massive privilege and a lot of fun! A

Olympic Day 2017

Six years on, the London 2012 olympic legacy lives on in Sherston with the Friends of Sherston School 'FSS' Olympic Day. This year was our busiest yet, with over 150 children taking part in 10 activities on Sunday 11 June. It was an epic day of sport from archery to hurdles - all ably manned by the dads of Sherston! With a chance to stand on the medal podium at the end of the day, the children raced around completing every event. Together with the first-ever Sherston Bake-Off, a taekwondo demonstration, bar and BBQ, the day went by in a hive of sporting activity and relaxed chat! Olympic Day involves a massive amount of community spirit to make it happen and a huge thank you must go to all the dads for supporting the children on each of the events. Thanks must also go to the Langleys BBQ skills, to Gail and Paul for allowing us to sell raffle tickets outside the Post Office, to everyone who helped on refreshments, Jo Lees for judging the bake-off, John Pettit for his photography and medical skills, Rupert Evelyn on the mic and all the technical crew - Dave Shepherd, James Munson, Mike Whatley and Riaan Van Rooyen, Doug McLeish. Thanks to the crew that spent a lot of time cutting grass and marking out courses, Sophie Cheetham, Fi Picton and Juliet Blows for all their behind the scenes work, Graeme Strachan and Rob Farahar on catering and last but by no means least a huge thank you must go to Nick

Blows - the head honcho, pulling it all together and making it happen! FSS raised a fantastic £1500 from the event but it's not just about the money (there's a song in that!) - the dual aim of the FSS is to add to the life of the village - making memories for families and I think we can tick that box! See you in 2018!

Charming House to rent in historic Southern France

16 Rue Montmorency is a charming three-bedroom town house located in the heart of Pezenas, a beautiful medieval market town. The house can accommodate 6 people comfortably and was built in the 18th Century. Constructed from ancient stone (probably from the neighbouring castle ruins!) it comes complete with authentic touches such as decorative wrought iron railings and sky blue wooden shutters which are a decorative theme running through Pezenas.

Light and airy with stunning views

Number 16 is situated on the apex of a row of town houses, and so has light on three sides as well as a roof terrace with stunning views over the old town and Languedoc countryside. Rue Montmorency is a stone's throw from the bars and bistros of the vibrant old town.

INSPIRING WOMEN

WI: June meeting

Our June meeting had us all lost in the world of dragons and dogs as we learned from our very entertaining speaker, author Debi Evans, about her books and the inspiration for them and shared in some of the adventures of her dog 'Rolo' - so named because of his toffee and chocolate coloured face.

The inspiration for the dragon books was seeing a children's ride in the shape of a dragon whilst out with her children and weaving a story around that just for her children, which subsequently became a series of fantasy adventure books. She encouraged us all to look around and see how many things have dragons 'hidden' in them - the shape of a hill, a gnarled tree trunk....

Debi explained how her life had changed a few years ago when she brought home a rescue dog to be part of her family. The books about Rolo, as told by Rolo himself, tell of his adventures, being the 'chosen one', able to time travel and share in great historical moments. He also finds time to write a dog blog!

Two of Debi's passions in life are nature and working with children to encourage them to write

stories. She brings information about the seasons, countryside, trees and flowers into her books, and also undertakes a number of creative workshops with schoolchildren.

Our next meeting is on Thursday 6 July in the Village Hall at 7.30pm when Fiona Turnbull will be speaking to us about Creative Photography. Our August meeting on 3 August will give us an opportunity to hear from John Clark about 'A Decade in Gascogne'.

We are always pleased to welcome new members or visitors to our meetings.

Learning Spanish?

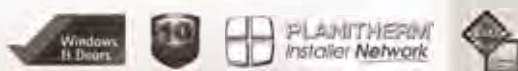

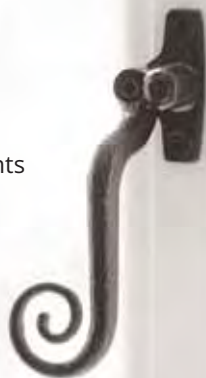

Are you a local school pupil who is learning Spanish? If so, would you like to spend a week in August with Spanish friends of ours living south of Valencia? This will be a great opportunity to improve your Spanish but also to have English conversation with their 14-year-old son, who already speaks very good English (and in fact his mum teaches English at their home). Tetbury Camera Club

Have a try at snapping under cover of darkness

There's never a dull moment if you're a member of Tetbury Camera Club. We might have just finished the winter/spring season with our annual photography exhibition in the town Market Hall, but a keen photographer doesn't pack up his bag because summer is here.

Within two weeks we had already embarked on a splendid programme of casual summer evening shoots. This is the time of year when any member can suggest a subject for an evening, or even all-day assignment. The first of these outings took us to Painswick, a spot almost as attractive as Tetbury, though the people who live there might well argue that in the scenic town stakes the awards should be in reverse order.

Whatever your view, some of the shots we have been taking will quite probably appear in our exhibition next year, so if you are in the mood, you'll be able to judge them for yourself.

The Club's market hall exhibition, which is timed to coincide with the famous Woolsack Races, has become a popular additional event on the bank holiday Monday, with visitors as well as locals attending it. This year we had attendees not just from neighbouring towns and counties, but as far at Newcastle and Nottingham. On average, it draws between 450 and 550 spectators, taking a hopefully relaxing break from the exertions of the various athletic exertions of woolsack racing up and down Gumstool Hill. This year the weather wasn't very kind to the runners, but the pictures we had on display seemed to be a welcome refuge to those taking a break from the wind and rain.

For some visitors, our work also turned into a personal inspiration and we had several enquiries from fellow enthusiastic amateurs, keen to join us at The Priory Hotel when our new season starts on 12 September.

Until then, we are hoping for some fine summer evenings and look forward to stimulating our creative appetite with at least six evening excursions during June, July and August. These are planned as social as well as photography outings, with the first part of each visit devoted to picture-taking and the latter hour or so to a get-together in an appropriate convenient pub or bistro.

Already on the agenda for coming weeks are Corsham,

Burford, Cheltenham, and nearer to home, Westonbirt, then Sharpness docks.

In between those visits we'll hold court every alternate week at the Priory, where modern technology means we can review the previous week's work on a laptop, or iPad.

By the way if you're the kind of photographer who tends to dust off the camera primarily in time for the holiday season, don't be put off if you are going to sunnier countries, where dusk often starts earlier than it does here in the UK. If you give it a try you'll find that with the miracles of digital technology, some of the most dramatic shots can be captured at night. The one with this article was taken by member Jennie Esse on a trip to Japan earlier this year.

You'll find it's quite possible to achieve something similar if you decide to be bold and set the camera to manual, then find somewhere to rest it steadily. Raise the ISO level, to 800 or more, or alternatively, lower it to 100 if you have one with an adjustable aperture. In which case try a variety of shutter speeds and aperture openings and see what you capture. You could well end up with a creative surprise. One of the great things about modern digital cameras is it doesn't cost you anything to experiment. You can simply delete what you don't like, and start again.

And if you fancy joining our group, put 12 September in your diary and come along to The Priory for our regular Tuesday evening sessions. New faces are always welcome.

You'll find more information about what we have planned as well as photography tips on our web site: tetburycameraclub.org.uk

Hidden Figures [PG]

Hidden Figures is the incredible untold story of Katherine Johnson (Taraji P. Henson), Dorothy Vaughan (Octavia Spencer) and Mary Jackson (Janelle Monáe) — brilliant African-American women working at NASA, who served as the brains behind one of the greatest operations in history: the launch of astronaut John Glenn into orbit, a stunning achievement that restored the nation's confidence, turned around the Space Race, and galvanized the world. The visionary trio crossed all gender and race lines to inspire generations to dream big.

How to manage back pain

Nearly 10 million working days are lost each year for adults aged 25-64 due to back pain – and around 80% of us will suffer from back pain at some point in our lives.

'Doctor in the House' is a very interesting series on BBC One where a GP practically moves in with his patients to find out what is really going on with them and seems to cure them all! We can't offer this service here, but one issue Dr Chatterjee recently dealt with was the back pain that was seriously impacting the life of a patient. The key to managing back pain is to understand what the causes are, and this is not always very straight forward. However, there are some simple tips that may help:

1. Get up regularly from your desk

Set an alarm once every hour to remind you to get up and move around. Perhaps try a standing desk, a different chair or even a Swiss ball.

2. Prioritise active relaxation

This could be meditation, yoga, or simple going for a walk.

3. Try and be as active as possible

Don't underestimate the benefits of regular walking.

www.nhs.uk also has some useful information on back pain, how to relieve it, getting help, causes and prevention.

We also have the new Wiltshire Health and Care initiative on Low Back Pain giving a variety of options to sufferers including self-referral. Information on this is available at the surgery.

North Wilts Villages Flower Club

May meeting

Our May meeting was a day of celebrating our 45th anniversary. The morning saw members taking part in a workshop run by national demonstrator Pam Lewis. Much to their surprise, they found themselves weaving willow as well as flower arranging, with wonderful results. During the afternoon, Pam gave an amusing and colourful demonstration with 'Celebration' as her theme. The day concluded with a cream tea.

Future meetings

19 July: Demonstration by David Martin entitled 'A Celebration'. Competition – favourite flower.

16 August: 'Bob Brown from Cotswold Garden Flowers will be giving a talk entitled 'Still Looking Good in August' (Crudwell Village Hall, 7.00pm for 7.30p.m. Tickets £5.00. Open to all).

Bob is the plantsman-owner of Cotswold Garden Flowers, who lectures and travels widely in search of new plants. Bob is a most entertaining and knowledgeable speaker, garden writer and experienced nurseryman. Plants will be available to purchase on the evening from Cotswold Garden Flowers. All money raised will be donated to Perennial – formerly the Gardeners Royal Benevolent Society.

20 September: AGM and talk by Mary Hinton – Hedgehog Rescue.

Looking forward

On 7 September, we are running a day trip to Hereford Cathedral flower festival, for more information please contact me on the number below.
