

THE SHERSTON CLIFFHANGER

PUBLISHED BY SHERSTON PARISH COUNCIL

OCTOBER 2021

DELIVERED FREE

Sustainable Sherston launches its 'How Low Can You Go?' challenge for October ...

Did you know that Wiltshire Council spends a staggering total of £38.2 million per year on collecting and sorting out our rubbish and waste and then another £3 million on litter picking?

Who would like to see that money better spent on more fun things like our schools, youth clubs and sports facilities?

And not only do we waste a LOT of money dealing with rubbish but we're creating rubbish mountains that will last for centuries! We are also burning masses of rubbish which is creating air pollution and health problems for many AND, on top of all of that, we are spending lots of precious energy recycling waste.

So, Sustainable Sherston would like to set everyone in Sherston and the surrounding area a challenge for the whole of October: 'How Low Can You Go?' Everyone is invited and all you need to join in is some tape, brainpower and a powerful imagination!

Think of the Limbo Bar game where a bar is lowered each go and you have to try and go under the bar at each new level. Let's do this with your bins too! Mark the top level of the rubbish in your bins (general rubbish bin AND the recycling bin) the night before you leave your bins out for the refuse collectors. Then each fortnight try to create less waste, get your levels lower and move the tape down. Remember that we are trying to get the levels of both bins lower. Recycling is better than throwing out but reducing all types of waste is best.

Here are a few ideas to get you off to a good start:

- compost your food waste
- give away excess produce like homegrown apples and pears

- refill your washing-up liquid/toilet cleaner/fabric conditioner/washing liquid/shampoo/shower gel at Lucy Tom's
- use shampoo bars and soap instead of liquids
- use reusable water bottles
- buy milk from the milkman
- use reusable shopping bags and take cotton bags for loose fruit and veg and dried stuff
- make your own crisps
- shop from a 'zero waste' shop (see page 15 for outlets)
- take packed lunches with your own cutlery on journeys ...

Use the eight Rs of waste management to give you ideas:

Refuse, Reduce, Rethink, Repurpose, Reuse, Repair, Rot and finally Recycle (notice how Recycle is last on the list, a last resort).

Lastly, take photos of your bin levels and share your successes and amazing ideas for reducing your rubbish and swapping things out with friends and on Facebook (Sustainable Sherston and Sherston - What's Occurring).

Oh and did we mention the prizes?? Sustainable Sherston is going to award prizes to the households that lower their rubbish levels the most and also to families who share the most helpful waste minimisation ideas!

So how low CAN you go?

Sustainable Sherston talk

Friday 8 October, 7.30pm, British School Room, Sherston

'How plastic is recycled and what we can do to help: a perspective from within the plastic recycling industry' by Andrew Williams Tarling, UK Purchasing Team Training Manager, Vanden Recycling

Andrew will address the common perception portrayed by the media, environmental groups and the Government that plastic is inherently 'bad'. In this talk, Andrew will describe what actually happens to plastics that become waste at home and in business, provide examples of good and not-so-good practice within the industry and table a discussion around ways in which each of us can take more responsibility for the plastic waste that we generate.

Sherston Community Choir

At last we are back to live rehearsals! We have managed to keep going via Zoom since March 2020, but it's so good to be back together. At present, we are singing in the parish church while we get used to keeping a safe distance from each other, and experimenting with using face coverings to keep each other safe. At the beginning of the pandemic, singing and playing wind or brass instruments was seen as particularly problematic, so safety is our number one priority.

We get together in the parish church at 7.30pm on Wednesdays and, as always, new members are always very welcome; we had several turn up on our first week back, which was great.

There is no need to be able to read music and no audition so don't be shy.

From after the October half-term we aim to be back in our usual home of the British Schoolroom on Cliff Road. Feel free to turn up, or to contact us via our Facebook page or email me on sheilacutcher@gmail.com

The size and content of the Cliffhanger depends entirely on the amount of copy we receive from individuals and groups. So, if you feel you have something of interest, please don't hesitate to tell us. Around 400 words would be a maximum but the shorter the better and less editing would be needed.

Top tip: if you're telling us of an event coming up, write a short piece about it rather than just supply basic details or a poster. You will then get a short article published to help boost interest as well as a mention in our What's On section. Don't forget to tell us how your event went, with a photo if possible.

DRAMA
GROUP**

They Came from Mars

and landed outside the
Farndale Avenue Church Hall
in time for the Townswomen's
Guild's coffee morning

The Drama Group is back after not being able to do anything since Panto 2019. The logistics of staging a pantomime was not feasible with Covid still around so we have decided to do a belly-laugh comedy to cheer us all up.

We are once again with the The Farndale Avenue ladies and this time they attempt lift off with their Dramatic Society and a unique production of a sci-fi thriller.

Needless to say, high-tech effects going awry and the limited talents of some group members ensure that the cast remains firmly on the ground - some more than others! As ever, the resourceful Mrs Reece circumnavigates the pitfalls as she steers the company into orbit and through space to a genteel tea on Mars, where the nail-biting action is interrupted of course to present the Flower Arranging Award.

Performances will take place at the village hall each evening from Wednesday 27 October until Saturday 30 October at 7.30pm. The audience will be socially distanced so tickets for each night will be limited. They will cost £8 (£6.50 concessions) and be on sale from 1 October at the Co-op and via the box office on 07791 544243.

Sherston WI

During the September meeting in the Village Hall, two Susans entertained us with slides of the Pyrenees in the month of June. Having left their husbands at home, they were on a partially escorted tour staying in Baèges, 13,000m up in the Pyrenees on the route of the Tour de France. The weather was damp at the start of their holiday but once the sun came out so did the many butterflies and flowers and we were shown some great slides of the craggy mountains, flora and fauna.

On 7 October, the members of Sherston WI had hoped to be celebrating its already delayed (due to Covid-19 restrictions) 80th birthday lunch. Unfortunately, due to ongoing problems at the venue, this is now not possible. We shall instead be having a celebration tea and shall look forward to that lunch sometime in the future.

On 4 November, our meeting reverts to the winter calendar - 2.30pm in the British School Room - and we shall be hearing about the extremely clever Medical Detection Dogs with Danielle Mills. Do come and join us, have a cup of tea and meet new people. We ask you to pay £4 as a visitor.

For more details, contact the Secretary on 841421.

Sherston Village Hall Butterflies

We have been delighted with the response to our appeal for donations towards the renovation of the Village Hall. When donors made their payments, they were asked if they would like to help decorate the butterfly carrying their name or that of a relative. Opportunities to come along to do this will initially be on two dates: Saturday 2 October, 10.00am to 12.30pm, and Saturday 13 November, 10.00am to 4.00pm (which is during Arts Festival week). It is a bit difficult to say how long each one will take but probably around half an hour to 45 minutes. These are drop-in sessions but obviously we wouldn't want everyone arriving at once so a suggestion is that those donors with a surname starting A to F could come on the first date or beginning of the morning of the second. Those with a surname starting P to W could come in the afternoon of the second date. The ones in the middle of the alphabet come in the morning of the second. This is just a suggestion to space people out and there may be people who can't do either day. Further sessions will be arranged. All supplies will be provided.

If you have any queries, please email heather@geoffmartin.plus.com

Sherston Senior Club

Our Mystery Tour on 17 August was well attended. We had a pleasant ride around the Marlborough Downs and Avebury Stone circle, it was a lovely sunny afternoon. We ended up at Lowden Garden Centre at Shaw for a welcome cup of tea.

Our next meeting was in the hall, where Goug Wilcox gave a talk entitled 'My journey into Fashion'. We were taken from Sherston, Goug's childhood home, via her time at Bristol College of Art to Rome where she was a designer and sketcher for La Mendola.

On her return to the UK, Goug realised that there was a gap in the market for lingerie in fine natural fabrics and 'Keturah Brown' became a reality. Her shop was in Primrose Hill London. Her first collection was bought by Harrods. She went on to win the first-ever award for lingerie from the British fashion industry. Her lingerie was featured by Vogue, Harpers & Queen and Cosmopolitan magazines and many others. Keturah, Goug's middle name, came from her grandmother. This was a very interesting talk with slides to illustrate the items of lingerie. We are lucky to have such a talented lady back in the village.

We will have had our Harvest Auction and our next coach outing by the time you are reading this report, more about them next month.

Looking ahead, on 12 October at 2.30pm, members are to bring an unusual item and tell the story for 'Show and Tell'. We, did this two years ago and it was amazing what the members had to say and show us. On 26 October at 2.30pm, our speaker will be Tricia Lawrence about the charity 'Send a Cow'.

Visitors are welcome at £2.00 per head. Come and see what we are like - no age limit! We are a friendly informal Club.

Please contact Helen Quirk on 840516 for more information.

Sherston Arts Festival 2021

By the time you read this, there may still be time to book for the scarecrow-making workshop on Saturday 9 October (email kirsty.strachan@icloud.com) and to enter your pictures for the Art Exhibition, open every day in church (see the website for sending in form). Preview evening in church on Friday 5 November.

Fairly soon, you need to decide what scarecrow character you are making for the theme 'Outstanding Olympians and Awesome Adventurers'. The trail will take place over the weekend of 6 and 7 November.

Musical young people are invited to take part in the Young Musicians Concert on Friday 12 November, contact Joy Smith (joy@haefen.co.uk), and all primary age children will have the opportunity to take part in the art project 'Box of Delights' in the British School Room, Cliff Road on 13 and 14 November.

We hope to have a Rural Arts Touring event for family audiences, but at the time of writing this has not been confirmed.

Our main concert will be *Magellan Circumnavigation*, written by Bob Whitley. *Magellan Circumnavigation* is a musical story of love divided by the greatest voyage of human exploration the world has seen. It follows a sailor on the voyage and his wife at home, mirroring the lives of Ferdinand and Beatriz Magellan. A story of mutinies, battles, storms, shipwreck, love and loss performed in 16C sailors costumes by Bob Whitley (vocals, guitar and mandolas) and Lee MacKenzie (vocals and cello).

Review by Jeremy Miles Bournemouth Echo: Lighthouse Poole 2 October 2020:

'Magellan Circumnavigation was pure joy, not least because it marked the return of theatre and musical story-telling to Lighthouse.'

'What's more this two-man show - the first theatre production to grace the Lighthouse stage in more than six months - was beautifully performed.'

'Conceived and written by Poole folk singer-songwriter Bob Whitley, it told in words and song the extraordinary tale of Ferdinand Magellan's 16th century mission to find a passage through the South American continent and circumnavigate the world.'

'And what a tale it was. With Bob on guitar and mandolas accompanied by brilliant cellist-vocalist Lee Mackenzie, we heard how Magellan and his men took to the high-seas determined to prove that the world was round. Not easy at a time when many people believed the earth was flat and that if you sailed too far you'd drop straight off the edge of the sea.'

'Sitting on a simply dressed stage, Bob and Lee performing in costume, delivered a thoughtful and

perfectly nuanced performance of carefully crafted songs evoking the fear, excitement and desperately gruelling lives of the sailors and the hopes and heartaches of the loves they had left behind.'

Review from Mark Tattersall Artistic Director Dorchester Arts:

'Magellan Circumnavigation is a musical journey in time and space which was tremendously well-received by the audience here in Dorchester. Musically, it's sublime. Bob's songs are beautifully crafted to both please the ear and also tell the fascinating and moving story of this incredible adventure, with all its excitement and wonder as well as its horrors and misdeeds.'

'Lee's voice is a perfect foil to Bob's and their musicianship is outstanding: Lee's cello perfectly balances Bob's guitar and mandolas to provide a soundscape that will please both folk fans and those who just love good music in general. Add to that a great story and it makes for an evening of high-quality music and storytelling with really broad appeal.'

For details of tickets and how to buy them, please see our website www.sherstonartsfestival.com or watch out for other advertising. Final details will be out end October/ early November.

Volunteers required

LINK is a charity that many of you may have heard of or used. It is run by local volunteers and offers transport to hospitals, doctors surgeries, dentists and other health-related appointments for anyone living in the Malmesbury district.

We have a friendly team of drivers who are all DBS checked and use their own cars for transport. A mileage allowance is paid to cover their expenses which is funded by the donations made by our clients.

Due to the increase in medical appointments being made and lifts required, we are urgently looking for more volunteers to help drive our many clients on a flexible and ad hoc basis to suit you.

If you would like to get involved but don't want to drive, help is always appreciated to coordinate the service and answering the phone which is done from your home for approximately one morning per fortnight by arrangement.

So, if you need transport to an appointment or would like to find out more about flexible volunteering with LINK, please contact us on the telephone number or email address below: WE WOULD LOVE TO HEAR FROM YOU.

Christmas Advent House Trail

Calling everyone with a house in Sherston! Following the spectacularly sparkly trail of 2020, lots of people have been asking if we can do it again and as it's the year of the Arts Festival we said, let's ask Sherston!

As a quick recap, it's like an advent calendar but for houses! You decorate a window(s) or garden with a Christmas theme and make it look all twinkly! Each night from the 1 December, a house (or a few houses if we get lots of takers) lights up their numbered scene until the 23 December when everything is lit and we can take a stroll around our magical village for the full Sherston Advent House Trail. Number 24 will be at Holy Cross Church.

The windows/gardens don't need to be complicated and, as many of us will be putting up fairy lights anyway, adding a few baubles or a jolly Father Christmas to your house would be easy. You can even do the same as last year!

Simple is beautiful too but here are some more ideas for you if you would like to add a bit of fun ... why not create a colourful Christmas scene from tissue paper in your window, a toy Father Christmas and presents with a bit of fake snow on your window ledge, a tiny scene made from children's dolls-house furniture or has anyone got a giant snowman or a herd of reindeer for the garden? Taking part is the key and the more, the merrier. You only have to light up on your night or if you fancy keeping them switched on every night that's fine too!

Last entry date to get on the map will be Thursday 11 November - but please get in touch ASAP so we can start getting organised. Please email kirsty.strachan@icloud.com to sign up or for more information. We had 140 houses take part in 2020 and it would be so lovely to do it all again - it made a really special Christmas in Sherston last year - and it would be fantastic to see out 2021 with a sprinkling of Sherston community magic!

DYB DOB Corner

Taskmaster camp

What a weekend, and it didn't rain ...

We say 'camp' but Scouting Covid regulations didn't quite stretch that far so no sleeping over. But, that didn't stop all of our sections - Beavers through to Explorers - having fun, cooking food on open fires and trying to complete a range of tasks to see who would be the triumphant team.

Can you build a tower to topple a jelly, transport a flame across an obstacle course, mime nursery rhymes, become a loo roll mummy, crack a fiendishly hard code, find a long wait or guess what was in the bowl (yuk!)?

As you can see from the photos, a great time was had by all!

End of an era?

Some of you will already know that, at the end of September, I shall be retiring from my role as Health & Wellbeing Champion for Malmesbury Community Area. It wasn't an easy decision, but family comes first and I look forward to spending more time with my gorgeous grandchildren. I shall, of course, miss you all! Don't be surprised if I turn up at a coffee morning just to say hello!

At this stage, I must say so many thank yous. To our Wiltshire Councillors who put their faith in me to carry on 'doing what I do'. To the organisers and members of the lunch clubs, coffee mornings, etc who made me so very welcome at all of those events. To the individuals who asked me into their homes and lives, sharing their problems in the hope that I could find solutions for them. To the Parish Councils who let me tell them about my role and how some older and vulnerable people struggle in the area. To the magazine editors who have included my ramblings for the last 11 years in the parish magazines. THANK YOU all.

So to the future. My role will not be replaced within the community, but we are looking for people who are interested in taking over part of the job. As a volunteer, you would be part of your community and visit social events, coffee mornings, etc to talk to people and listen to the problems they may be experiencing. It would then be for you to offer possible solutions, signpost to sources of support, or take these problems forward to the Area Board. Although voluntary, all expenses etc would be reimbursed and training will be provided. If you are interested in knowing more about a volunteer role, please contact Alexa Davies, Community Engagement Manager, on: 01249 706610 or email her: alexa.davies@wiltshire.gov.uk.

That just leaves me to say goodbye and I wish you all health and happiness.

Neil Forster Art Exhibition: 2-28 November

Artist Neil Forster (1939 to 2016) lived and worked in Sherston for over 30 years. This internationally esteemed artist was a cherished member of the community and earned an indelible place in the village's history. Not least among Neil's achievements were his dedication to the Cricket Club and as one of the founders of Sherston's Boules Day. However, it was Neil's peerless abilities as an artist which are his greatest legacy; some five years after his death a selling exhibition of approximately 60 of his works will be held at the Osborne Studio Gallery in London from 2 to 28 November. Hosted by Neil's wife Penny Forster, these drawings, pastels and paintings are a selection of his studio sketches and studies covering almost his entire career. An illustrated catalogue will be available upon request. For further information contact:

Malmesbury Concert Band back in action - but more members needed

Malmesbury Concert Band (MCB) is back in action with a busy autumn schedule now that Covid restrictions have been eased. But more new playing members are needed.

The band has returned to the band room off Park Road for its weekly Friday evening rehearsals after practising in the Town Hall for the last two months.

The following tentative programme, to be confirmed, has been planned up to Christmas:

25 September – Bird Cage Walk – 11.00am -12.00noon

3 December – Malmesbury Late Night Christmas Shopping

10 December – Outside Waitrose or Aldi – evening, times tbc

17 December – Rose & Crown, High Street – 7.15-8.00pm

18 December – Market Cross – Christmas Carols – 11.00am-12.00noon

MCB Chairman Ben Randall-Sly said: 'We are delighted to be back in action again after so long and are looking forward to our autumn schedule. But we do need more playing members, in particular brass, woodwind and percussion players, who should contact our musical director Tony Fleming.

'We are a community band, so players of all abilities are welcome. Anyone interested should go to our website: www.malmesburyconcertband.org.uk/JoinUs and follow the links.'

Malmesbury League of Friends makes further donations worth over £21,000

The Malmesbury League of Friends (MLOF) has made further recent donations, totalling over £21,000, following requests from a number of local organisations.

For Malmesbury Primary Care Centre, MLOF has purchased a Health Care Monitor, which can perform contactless monitoring for a range of functions, saving over 20 appointments a week, and two cardiac monitoring machines, saving patients countless visits to hospital.

As part of its programme to buy defibrillators where they are needed locally, MLOF has purchased three more machines, at Malmesbury Youth Football Club and in two local villages, Eastcourt and Braydon. The purchase of further defibrillators for other local sports clubs is under active consideration.

Finally, MLOF has purchased a set of garden furniture for local care home Athelstan House, for the enjoyment of its residents.

MLOF chairman David Hide said: 'These latest requests are typical of those we receive. Although some of them involve quite modest sums, each one will nevertheless make a major difference to the lives of those who will benefit.

'We are always happy to consider requests for help for those living in the Malmesbury area, who have a special need.'

North Wiltshire Villages Flower Club

The Flower Club programme of monthly events is continuing to run successfully and we are pleased to return to something approaching business as usual after such a long gap.

Our first event for 18 months was held in August at Cerney House Gardens near Cirencester. We were blessed with some sunshine (a rare sight this summer!) so members enjoyed viewing the lovely gardens, sampling the excellent tea and cake, but most of all just meeting up with friends for a chat.

In September, our regular monthly meetings at Crudwell Village Hall recommenced, with extra hygiene measures and some social distancing in place to keep everyone safe. We held our AGM and, once the business matters were completed, this was followed by a workshop to make an arrangement in a tin which as usual resulted in lots of creativity and a variety of interpretations.

On Wednesday 20 October, our meeting will feature a demonstration by Jayne Morriss, aptly entitled 'Never Ending Circles'. The next meeting will be on 17 November featuring a Christmas demonstration by Sally Taylor entitled 'Christmas Capers'. We are keeping things relatively low-key for the remainder of this year as we see how things develop, but have arranged an exciting programme for 2022 (our Golden Jubilee year) when we hope all will be back to normal.

Our programme is always very varied and includes a good mix of workshops, demonstrations, social events and visits, all incorporating flowers in some shape or form. Meetings normally take place at Crudwell Village Hall on the third Wednesday evening of the month, 7.00pm for 7.30pm, with visitors and potential new members always welcome.

If you'd like to get in touch, we can be contacted by email: nwvflowerclub@gmail.com. More information can also be found on our Facebook page.
