THE SHERSTON CLIFFBANGER NOVEMBER 2011

PUBLISHED BY SHERSTON PARISH COUNCIL

DELIVERED FREE

Thanks Guys

When sixth form pupils at Briarwood School Fishponds Bristol heard of the disappearance of the Old School 'It's ours!' banner they immediately offered to provide new signage completely free of charge. The banner had been originally produced by their colleagues at PROPS Business Enterprise at The Vassall Centre Bristol run by young people with severe learning difficulties like themselves.

Sherston Old School Community Interest Company (SOSCIC) was absolutely bowled over by this generous offer and by agreement the pupils produced a wonderful sign for the Old School Shop 'Class Act.'

The shop sells a large range of quality donated items in support of Old School funds and is open in the old classrooms for three days a week, Thursday, Friday and Saturday, 10.00am until 4.00pm. It is proving very popular and making a real difference to the project's overall finances.

If you have anything you no longer require but feel might be useful to other people, or if you have a few hours to spare to help in the shop, please phone Marion Gee on 841147 or email manddgee@btinternet.com.

The Seven Year Itch

Talk about being thrown in at the deep end. When Paul and Gail Mather took up the challenge of running the village post office, exactly seven years ago, their combined relevant experience was minimal.

Granted, Paul knew about the challenges faced by small businesses from his time as a risk manager at Lloyds Bank TSB. Gail, meanwhile, had valuable experience in the retail industry from her previous positions at Marks & Spencer, first in Birmingham and then in Weston-Super-Mare. But as she recalled when she spoke to *Cliffhanger*, her main forte at M&S was bra-measuring, a skill she has not (yet) been called upon to use at the Sherston post office.

'It was a baptism of fire,' said Paul, looking back to 24 November 2004, when he and Gail took over, just as the busy Christmas season was beginning.

As they prepare for their move to new premises in the Old Village School, seven years later to the day, Paul and Gail have no regrets about the career change that brought them to Sherston. 'It's been exhausting, but we have such laughs,' said Gail.

Laughs, yes. But also one or two scares - such as the power cut that threatened to spoil their big day, five years ago, when the post office's second counter was opened following an extensive refit.

The popular couple said they are looking forward to moving across the road with a mixture of excitement and apprehension. Higher rates, rent and increased staff costs will lead to an increase in their overall outgoings. So too will self-funded initiatives such as the improved access facilities for disabled shoppers that will be available for visitors to the post office's new home. There will also be a much wider range of products available. One disappointment is that a request to be a National Lottery agent has been turned down. However, Paul is hopeful that if an increase in the number of terminals available is agreed by the Government at the start of 2012, Sherston will be high up on the list to be approved.

Malmesbury & Sherston Royal British Legion

by M Hillier

We are seeking new members to join The Royal British Legion, and you don't have to have been in the services to become a member.

Sherston branch was formed in 1947, so we have been in existence for 64 years. We would like to run for another 64 years, and with your help even longer. If you are interested, there are various social functions that take place during the year, as well as parades, all of which you can join in if you become a member. We are very short of members at the moment, so please give it some consideration; you would be more than welcome into the branch.

If you are interested, contact Mr M Hillier at 14 Swan Barton. Tel 840737.

Copy deadline: 10th of the previous month. Send to editorial@sherstoncliffhanger.co.uk or hard copy to Sherston Post Office Stores.

What's On: contact Caroline Moore on 841405 or info@sherstoncliffhanger.co.uk

The size and content of the Cliffhanger depends entirely on the amount of copy we receive from individuals and groups. So, if you feel you have something of interest, please don't hesitate to tell us. Around 400 words would be a maximum but the shorter the better and less editing would be needed.

Top tip: if you're telling us of an event coming up, write a short piece about it rather than just supply basic details or a poster. You will then get a short article published to help boost interest as well as a mention in our What's On section. Don't forget to tell us how your event went, with a photo if possible.

Success for Sherston Primary School School School Award

Sherston Primary School has been re-accredited with the British Council's prestigious International School Award in recognition of its work to bring the world into the classroom.

The International School Award is a badge of honour for schools that do outstanding work in international education. Fostering an international dimension in the curriculum is at the heart of the British Council's work with schools so that young people gain the cultural understanding and skills they need to live and work as global citizens.

Sherston School has established links with a number of schools around the world. The school was officially opened in 2006 by Erich Ole Kasana, a Maasai Elder from Kenya. Since then Sherston Primary has supported the development of the Sherston Mosul School in Kenya, and the school's Deputy Head, Mrs Liddle, has visited the school to help with its construction. Sherston also has links with Sifoe Lower School in The Gambia, and visits and exchanges of work have been organised between pupils.

Headteacher Nick Bowditch said, 'I'm really pleased that we've been successful in gaining re-accreditation. It recognises the efforts that our teachers make to bring an international dimension to the curriculum. It means that all pupils are impacted by our international work and develop a real understanding of the world around them.'

John Rolfe from the British Council said, 'Many congratulations. We're very grateful to all the schools for their excellent commitment to the enriching, creative and innovative international dimensions of teaching and learning. Their inspirational work is vital preparation for all our young people, helping them to better understand their place in the world and supporting the development of their skills in an increasingly global economy.'

Lighten up

Could all those residents of the High Street who would like Christmas lights for the fronts of their houses please let Cilla Liddington know by the week commencing 21 November so they can be distributed before the end of the month. The lights are low energy and the parish council has all the sets safety checked every year. Contact Cilla on 840128 or email sherstoncilla@tiscali.co.uk

COMMUNITY INTEREST COMPANY

Getting ready...

November is the time for action stations in the Old School. Later this month, Paul and Gail will be opening up shop in the renovated hall whilst the French Fête will raise funds for the second phase of conversion. Progress has been steady since the builders started in the summer and we're bang on target for the critical deadlines in the completion of phase one.

Here's a quick run-through of the work to date: the roof retiling to the rear is finished, with imminent completion of the front slope as well as a new flat roof for unit 4. All re-pointing work should also be ready by the beginning of the month. In the main hall (the new Post Office & Stores), the floor, ceiling and replacement wooden panelling are complete whilst electrical works will shortly follow suit. An access ramp to the rear store is now in place.

And finally, all external windows have been installed with internal secondary double-glazed units due to be fitted soon.

When Paul and Gail receive their keys, they and their staff will have less than three weeks to complete the shop fitting, shelf-stacking and interior 'styling'. All being well, Sherston will have a modern Post Office & Stores within the old primary school on the 24th of November.

SOSCIC Members Meeting, 7 November

All members have received a personal invitation to the next SOSCIC meeting on the November 7 in the British School Room. (Coincidentally, this is

also the proposed date for the handover to Paul and Gail). The Board is hoping that as many members as possible attend for updates on progress, finance and fundraising for phase two. It's also a good opportunity to air your views and have your questions answered.

Fund-Raising steps up a gear

Our committee has some great plans for raising much needed cash to complete the final phase of conversion. Firstly, the ticket demand for the French Fête on 12 November surpassed all our expectations. Clearly, people have fond memories of this popular event as we had sold out within two hours and have been forced to run a waiting list.

Our next Fund-meeting is on 3 November at 6.00 in the Village Hall. Why don't you join us? We already have a great team of volunteers but there's always room for more. Achieving the remaining £150,000 target will require effort, imagination and dedication. We would love to have extra help in thinking up ideas and in organising events for next year.

Looking for Tenants...

The renovation of the classrooms is the aim of the second and final phase of the conversion. With their high ceilings and big windows, these light-filled rooms will make ideal offices, studios or workshops. There may be other potential uses so everything is open for discussion. The proposed rents are as follows:

Unit 1a - 12.58 sq meters (135 sq feet) £2100 per annum exclusive.

Unit 1b - (ground and first floor accommodation) 30.5 sq meters (327 sq feet) £3750 pae

Unit 2 - 40.7 sq meters (435 sq feet) £4500 pae

Unit 3 - 42.62 sq meters (499 sq feet) £5000 pae N.B. these two units could be combined to form one.

Unit 4 – 30.5 sq meters (326 sq feet) £3250 pae Anyone interested in further information should please contact Joe Williams at Graham Singer & Co. 01454 238600 email mail@grahamsinger.com

Bins of many colours

Last month saw the delivery by Wiltshire Council of the new black wheelie bins with blue lids for plastic and cardboard recycling. These add to the existing green wheelie bins for household rubbish and to the brown ones for green waste. Together with the smaller black square bins for glass and cans there is a need for households to coordinate exactly which bins go out when to ensure the contents are collected. Please however try not to leave your bins out on the highway for longer than necessary. They can block access along pavements for pedestrians, especially the elderly and disabled as well as those with young children in prams and buggies. In addition empty bins can be blown about quite alarmingly in high winds which can cause a danger to all.

Good rating

Sherston Primary School has been awarded a 'good' rating by the Church of England within the Statutory Inspection of Anglican Schools (SIAS) for displaying signs of a distinctive and Christian institution.

The SIAS inspection focuses on the effect that the Christian ethos of the church school has on the children and young people who attend it.

The report summarised the inspector's findings as follows: 'There is a well-embedded and implicit set of Christian values which underpin relationships as well as decision and policy making in the school. Religious education is well-led and planned, creatively delivered and meaningfully assessed. As a result it makes a significant contribution to the school's Christian distinctiveness.'

It continued to say 'Collective worship is a much enjoyed time of the day in Sherston school. This was evident in the smiling faces of pupils of all ages and by the lively singing.'

Christopher Bryan, Priest-in-charge of Sherston, said, 'I am delighted by this excellent result. The school is a happy and welcoming community with a clear Christian ethos. Sherston Churches and the school have put a lot of effort into working together and it is wonderful that this is being recognised and affirmed.'

On 6 September Mary Clements showed us extracts from Sherston Millennium 'Joseph and the Amazing Technicolor Dreamcoat.' This brought back many happy memories to those who were involved or attended the performance at the time. Many members attended the interesting and informative Living History Day at the British School Room on Saturday 24 September arranged by the Athelstan Museum. It was a pity there were so few youngsters there.

On Tuesday 20 September we held our Harvest Auction which raised £120 in aid of the Alzheimer's Society. We were delighted that our vicar Chris Bryan was able to attend. He led us in a brief service before the auction and was very useful afterwards in distributing the lots to the winners.

The head teacher from our primary school, Nick Bowditch, will be speaking to us at 2.00pm on Tuesday 1 November, and on Tuesday 15 November we have our Christmas shopping outing to Cribbs Causeway (cost £8 departing 10.00am, leaving Bristol 3.00pm). We are also looking forward once again to the annual visit of the Children's Choir on Tuesday 29 November at 1.30pm (an event not to be missed). Our Christmas lunch will be on Tuesday 13 December - details next time.

Next meeting

The parish council meets on Thursday 10 November in the village hall at 7.30pm. All are welcome to attend and there are opportunities to raise questions and pass comments. If you cannot make the meeting but have something to raise please contact the clerk Mrs. Sarah Wood on 840351 or email clerk@sherston.org. uk . You can also contact the council via the response form on www.sherston.org.uk where minutes of meetings can be read.

Police News

Dear All,

Having had quite a good response to my last article about parking around schools, I thought I would use this opportunity to let you know that the priority set by the area partnership for all villages and communities around Malmesbury in the runup to the end of the year is tackling antisocial and downright dangerous driving.

Keeping it relatively simple, I aim to target three problem groups of drivers who cause problems for the rest of us. These are drink drivers, those who use mobile phones whilst driving, and of course those speeding. Again I am going to ask for your help. If you know somebody who drinks and then drives let us know; if your mobile rings whilst you are driving in the car, do not answer it until you are stationary and it is safe to do so. Finally, all of us are affected by speeding, and I am asked weekly if I can do something about vehicles travelling at speed all over the area I cover.

Well, how successfully we as a community respond to this is largely down to us as a team. As an individual and with other officers, I can do speed checks and issue tickets which could easily take up all my time and still not satisfy everyone.

However, working in conjunction with Community Speed Watch (CSW) schemes, of which 10 are active in and around Malmesbury, including those in Luckington, Sherston, Corston, Startley and Dauntsey, we really can make a difference. If you

as an individual or community think that you have a problem with a particular road, you can approach the local Area Board which can arrange a speed checking device to be placed on that road to see if the problem is real or perceived. If real, funding is made available to train volunteers wishing to take part assisting in monitoring passing traffic. This in turn educates the motorist passing through that there is a problem and hopefully responsible drivers drive accordingly. Those thinking they are above the law and continuing to speed have their details sent to us and we target them specifically, thus increasing police efficiency.

If you have any views on this please let me know via malmesburynpt@wiltshire.pnn.police.uk .This is a relatively new email address which has changed slightly from the old one. We still try to reply to all emails within 24 hours. Also, don't forget that for non-emergency calls to Police you can now dial 101, but if you prefer you can still use 0845 408 7000 for a few more weeks yet.

Thank you, PC Steve Humphries

Cribbs trips

Following last year's successful trip to Cribbs Causeway two trips are planned for this year's Christmas shopping season.

Tony Weedon has kindly volunteered to drive the Cartmell Community Bus on Saturday 19 November and again on Wednesday 7 December. The bus will leave the High Street at 10 am and Cribbs at 3pm.

There is a maximum of 16 passengers per trip. To reserve your place please sign up at Sherston Post Office Stores and make a donation towards the cost - £4 is suggested.

Rec

Good progress is being made with the intended new play equipment for those aged 11 to 18.

Further recent successful fundraising by the family and friends of Mark Doyle has boosted his memorial fund which is so generously to help towards the cost. The parish council intends to use money due under at least one planning approval in the parish to help with the funding. Grant finance is to be sought to meet any outstanding balance as play equipment is always expensive due to the high safety levels required.

The final choice of equipment will follow consultation with those who will use it – all the 11 to 18 year olds in the parish.

If all goes according to plan it is hoped to have the equipment installed during the spring of 2012.

Supper time

A new mobile fish and chip service is to operate in Sherston on Thursday evenings between 5.30pm and 8.30pm. Starfish Enterprise will open for business in the village hall yard on Thursday 3 November. Remember, remember, the fifth of November

Don't forget that Sherston's bonfire and fireworks extravaganza will take place this year on Saturday 5 November starting at 6.30pm at Lower Farm Easton Town

In addition to Sherston 1016's fully insured and professional fireworks display, there will also be a BBQ as well as soft drinks and hot soup. Sparklers are not permitted at the display for safety reasons, but safe light-sabres and light-ropes will be on sale.

Entrance charges (non-refundable) are the same as last year, at £5 per adult and £3 per child on the gate, or £12 for an advance family ticket for two adults and up to three children, available from Sherston Post Office Store. All profit from the event goes towards the senior citizens Christmas vouchers.

If you can spare a few hours to help set up the field during the daylight hours of Saturday 5 November, please phone 840728 (daytime) or 840112. Please take combustible material to the site during the week leading up to the Saturday and put it over the wall into the bonfire field, which is on the right as you approach the farm buildings.

Boules & Carnival Week - Call for Help and Thank You

Firstly, we would like to take the opportunity to thank everyone who supported us this year on what was a very wet Boules Day, especially those who turned out at 6.30am on Saturday morning to help set up in the pouring rain. Only the British would do such a crazy thing. We would particularly like to thank our departing Chairman, Tony Weedon, for all his hard work over the past few years and to Stedman Nicholas from Bear Necessities who trudged back and forth in his van ferrying everything required for setting up the event and putting it away again and indeed has done so for more years than anyone can count. Both will be sorely missed.

It turned out to be a successful year despite the rain and donations will be made in due course once the final takings have been calculated. So, thank you all.

2012 Volunteers

Now, looking forward to 2012, we have an even bigger challenge to fill the shoes of Tony and Stedman. Hopefully we may have someone lined up to manage logistics, which is good news. However, there is a need for a new Chairman.

Maybe those of you who enjoy taking part in the event could give this some thought as, whilst we have a great team of volunteers who take on many roles to put the event together, we do need someone to keep us in

order and coordinate us! Actually we are quite capable and organised really, but we do need someone to take on this role. Do you think you could do it?

There are a host of other jobs that we would also love people to help out with. This needn't be anything too onerous; you may like to offer to co-ordinate a small team to organise things such as putting up bunting or clearing away tables and chairs or you may just wish to put your name down to help out on the day.

Please come along to the first meeting for Boules and Carnival 2012 on Thursday 10 November at 8.00pm at the Carpenters Arms if you would like to help out. Just turn up.

If you can't make it but would like to put your name forward then please email either Caroline Moore caroline@carolinemoore.co.uk or Louise Osborne louise.osborne@networkrail.co.uk or call Caroline on 841405.

Set out below are some of the jobs that we always need help with and maybe if you think you would be able to spare an hour here and there you could let us know and we'll add your name to the list of volunteers.

- Leaflet drops
- Clearing the river for the duck race
- Logistics help on Friday afternoon and evening moving equipment to the High Street, erecting marquees, setting up tables & chairs in the village hall, putting up signs
- Logistics help on Saturday morning setting up marquees and pitches and in the evening taking it all down and putting it away in storage.
- Kids Zone help required manning bouncy castles and other stalls
- BBQ, French Café, teas help serving and/or preparing food
- Selling ducks, raffle tickets, tombola
- Bar shifts at any of the events during the week or weekend

These are just some of the obvious jobs but just having a pool of helpers on the day who can keep an eye out for an overflowing bin or run an errand to fetch and carry here and there would be wonderful.

There is one further big plea and that is for anyone who might be able to provide a van and trailer to move equipment on the Friday and Saturday of Boules weekend.

Date for your diaries for next year: Boules Day 14 July 2012. Many Thanks *The Boules & Carnival Committee*

W.I. October Meeting

by Ann Wilcox

President Sheila Harris welcomed 31 members to the Village Hall for their Birthday Dinner. Before the meal she presented Phyl Thorburn with a basket of flowers to mark her recent Diamond wedding anniversary. She also welcomed our recent new member, Judith.

Outside caterers provided an excellent two-course meal which was much enjoyed. There was much chatter, happy memories and plans for the future discussed. After the meal we were entertained by Nicki Heenan on keyboard which was a most pleasant end to the evening.

We are now looking forward to our Open Evening on 13 October in the Village Hall. Several members are helping out at the Arts Festival in various capacities. Many of us have been busy knitting mini bobble hats for Innocent Smoothie bottles. Over 100 will be taken to Sainsbury's, which will send 25p to Age UK for every hat knitted.

Our next meeting will be on 3 November at the British Schoolroom at 2.30pm. The speaker will be Maureen Hinton with the theme of 'Victorian Christmas' (flower arranging). The competition is a Victorian ornament. We are always pleased to see visitors.

Mud, Sweat and Clouds

Within the first month after our summer break, members of the Scout Group have been getting stuck in with the worms, running to improve their fitness and soaring above the clouds. Expectations are high for more adventure to come.

Our Cub Pack has been working towards their Global Environment Badge. As part of this, the cubs took on the task of re-instating the wormeries at Sherston School, so we had to find some of the right type of worms. Luckily we could find the odd thousand little red tiger worms, which are just right to munch up waste food and veggie peelings. So after a quick lesson on what needs to go into compost, the Cubs were ready to make hand contact with our slippery friends.

The Cubs have also been round Grove Wood, to check on woodland progress. Our thanks to Sherston's team of tree wardens for making this another enjoyable evening.

Our pack entered a team for the annual district Raft Race on Corsham Lake. They had to build, launch and paddle their own raft around a large circuit on the lake. Staying dry is optional.

The whole Group held a 5k and 10k race on the last Sunday in September. With a little last minute publicity, the field was open to all, and several from the village took part in a test of fitness, endurance and following the route. The intention was to run as a combined group, and ensure that all finished.

Everyone came back, but not everyone took the same route. Robin Outlaw finished first, but took the scenic route, so his race distance is not clear.

The first three Scouts/Cubs back in the 10k bash were Barnabas Whiffin, Kyle van Rooyen, and Luke Tappin. The first three positions in the 5k were Alistair Evans, Andre van Rooyen, and Caty and Oliver Tappin (together). Toby Tappin was the youngest to finish the 10k.

Well done to all.

When we repeat the challenge we will expect our

guests to be a little higher placed.

The Scout Troop invited the Wiltshire Scout County Gliding Advisor to a recent troop meeting, and the following weekends eight Scouts and Explorer Scouts have been able to glide at Keevil Airfield. Gliding is a team effort, as the aircraft have to be positioned, lined up with the winch cable, and recovered afterwards. The reward for the hard work is the wonderful flights, some in an open canopy glider dating from the 1940s or in an aerobatic glider performing spins.

The Scout Group, 1st Sherston Brownies and members of our local Guide company will be parading on Remembrance Sunday with 84 Medical Supply Squadron RLC. The parade will assemble at the Scout HQ at 10.00 am before the Church Service.

The Scout Group will once again be offering a Christmas post service this year. Special stamps will be on sale, along with tickets for our popular Christmas hamper raffle, during December. May we ask all those who would like to receive Christmas cards through the scout post, to make sure that their house name or number is clearly visible? We know from experience that many houses in Sherston rely on good fortune to receive their post.

Perhaps now is a good time to check that your house has a Christmas card-friendly letterbox.

If you would like to donate a prize for the raffle hampers please pass onto a leader or bring to 3 Carpenters Close, Sherston.

Walk with Sue

October's walk to Easton Grey taking in the Roman camp proved very popular, with some 23 people taking part. As usual, the Rattlebone Inn came up trumps with a delicious soup to finish.

Sue McKechnie's next walk will be on Sunday 27 November, leaving the village hall at 10.00am and returning to the Rattlebone at around 12.00noon for a complimentary snack. Please note the earlier start

The walk is free with no need to book. Just turn up with suitable footwear and clothing for weather conditions on the day. Children are most welcome as are well-behaved dogs on leads.

Queen's Jubilee

With this national event scheduled for 2 to 5 June next year, there is a need to start planning in earnest for celebrations in Sherston. Already a number of ideas have been mooted but all now need to be coordinated. Accordingly, there will be an open meeting in the Village Hall on Wednesday 16 November at 7.30pm. If you're unable to make it that evening but have an idea or wish to be involved generally, please contact Cilla Liddington on 840128 or email sherstoncilla@ tiscali.co.uk.

Wildlife flocks to school

by Crispian Huggill, Sherston School Environment Area Group

Eighteen months after completion, Sherston School's pond is already teeming with wildlife. The vegetation has transformed the area into an established wildlife habitat. To date, five species of dragonfly have been recorded, along with damsel flies, two toads, three frogs, countless snails, water boatmen and pond skaters, to name a few.

A kingfisher was a regular visitor in August.

Earlier in the year, a flock of waxwings provided a colourful spectacle in a nearby apple tree.

Recently, it became necessary to remove some of the pond weed. Undaunted, one of the frogs watched the action.

Next up is to equip the school with waterproof cards for the children to spot and identify wildlife on regular pond trips, as part of widening their environmental awareness and education.

Blooming marvellous!

The early October sunshine made for a late splash of colour at the front of Sherston School. The 2011 cohort of year six pupils completed a project in June to design and plant a flower bed, with plants kindly donated Foxley by Road Nurseries and Les Howells' garden at

Pinkney (our thanks to them both). The project is a legacy from former year six pupil Hannah Clegg, who won the national British Garden Competition in 2009 to design a garden for the 2012 Olympic Park.

Pick your own school lunch

Willow Class pupils at Sherston School picked blackberries from the school wildlife area, and apples from their allotment area, all served up as blackberry and apple crumble for lunch the following day. School puddings don't get much better than that.

This year has seen the school's fruit trees produce bumper crops. In August, the Victoria plum was weighed down with beautiful sweet fruit. The Falstaff and Egremont Russet produced apples in abundance. These and the other fruit trees have been kindly donated over the past three years by Whitehall Garden Centre, Morrisons Supermarkets (Let's Grow campaign), and Lara Farahar. Our thanks and appreciation to them all. As one of their environment projects, Willow Class look after the school's fruit trees.

Hedgelaying

As part of its rural skills programme, the Cotswold Conservation Board is running a hedgelaying course in Sherston over the weekend of 25 and 26 February 2012 at a cost of £99 for the two days. Perhaps an ideal Christmas present for someone interested in learning this skill?

Fun in the sun

The free sport courses run by Wiltshire Council this summer on the Rec proved to be the most successful to date. Five courses were held during August, with 89 different children participating and a total throughput of 219. Sherston had the highest numbers participating overall in the whole county.

Feedback both from parents and children was very good. Many praised the high standard of the coaches, as well as the general organisation of the courses. Having the Scout Hut facilities available was also greatly appreciated – including the tuck shop which was especially popular with the coaches at the end of the sessions.

The parish council has written a letter of thanks to all those involved at Wiltshire Council and hopes that the scheme can be repeated next year.

Table amnesty

Two large brown tables and three small green ones have recently disappeared from the village hall. If you have borrowed them, please return them as soon as possible. Just leave them in the yard or take them to the Sunday Papers in the small hall. 'No names no pack drill.'

From the Parish Chest - The Sherston Allotments

by Cilla Liddington

The Allotment Act 1887

Allotments and Cottage Gardens Compensation for Crops Act 1887 obliged local authorities to provide allotments if there was a demand for them. The local authorities resisted complying with the Act and so revision was required to strengthen it.

Small Holdings and Allotments Act 1908

The Smallholding and Allotment Act 1907 imposed responsibilities on parish, urban district and borough councils to provide allotments. Further legislation in 1908 consolidated previous acts and resolved various anomalies.

To the Victorians, allotments were a productive use of time, keeping the poor away from the evils of drink, and providing wholesome food for the low paid worker.

Sherston parish council took this Act very seriously and at its annual parish meeting March 31 1896 the matter was discussed in great detail:

At the previous annual parish meeting applications were received for allotments, and a committee was at once appointed to ascertain whether the council could hire by agreement the Three Corner Ground measuring '20. 1. 23.?' then in the occupation of Mr Daniel Neal, farmer of Willesley, for arable allotments.

Several meetings were held, having reference to this question, and a long correspondence followed with the owner of the land Captain Holford, who has always treated the council in a most kind, straightforward and courteous manner.

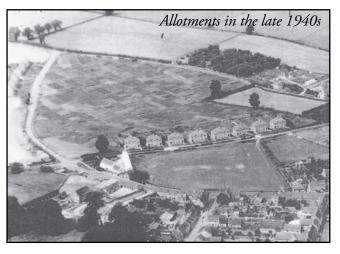

In September last, it was decided to charge the tenants the sum of 33/- per acre, per annum, which was estimated to cover all expenses for the first year.

All the land was taken up by persons, who were willing to give the price of 33/- per acre.

It is thought by the council that later on, perhaps in a few months time, the price of the allotment lands will be reduced.

Mr Thomas Hillier of Knockdown, Mr George

Beak of Lords Wood and Mr C D Bridgeman of Sherston were elected allotment managers.

Several enquiries were made for land suitable for pasture allotments, but the council could not hear of any to let. (This is still very much an ongoing problem for the present parish council, where a need for more allotments is discussed at every meeting, with no land being available)

In December 1928 a letter was received from Wiltshire County Council Agricultural Committee, an extract of which states that

'Further to our interview on these allotments, I have reported to the Small Holdings Committee the condition of these allotments and that the Parish Council desire to be released of some of the land. I am instructed to make further enquiries with a view to formulating some scheme if possible before the next meeting of the committee. I shall be extremely obliged if you will let me know whether the Parish Council will be prepared in the event of the County Council agreeing to surrender the whole of the field known as Great Tynings and Jubilee Field at Lady Day 1930. In this event the Parish Council would be left with Little Tynings for allotments and increased rent over and above what is now paid for the whole would be required by the County Council'

Where was Jubilee Field? Maybe where the houses in Green Lane are built.

Grittleton Moviola's presentation for November is:

Larry Crowne (12A)

Larry Crowne (Tom Hanks) is a happy and efficient but lowly team member at UMart where he's worked since his time in the Navy - until he is made redundant for not having gone to college and thus being ineligible for promotion. Larry heads to his local college in the hope of starting again and joins an economics course under Dr Matsutani (George Takei) and a public-speaking class with teacher Mercedes Tainot (Julia Roberts). He meets some of the younger students and one of them, the pretty scooter riding Celestia (Gugu Mbatha-Raw), takes him under her wing in an effort to make him more cool. But it's the unhappily married Mrs Tainot who needs someone to take her under their wing ...

Sherston Arts Festival

Heather Martin (on behalf of the Arts Festival Committee)

As with all events, you seem to spend months planning and then it's all over in a flash. Sherston Arts Festival is over for another year or two. Thanks to all those people who helped make it run smoothly and to those who supported the events.

The exhibition in the Church was of a very high standard, although down a bit in number of pictures exhibited. The flowers were lovely and everyone said how beautiful the Church looked. The fused glass workshop was very successful - sixteen participants all made something quite special and many said they would like to learn more of this fascinating craft. The scarecrow trail was one of our best events – 86 'trails' were sold, which meant 86 families or small groups walking round our village, discovering hidden corners and the weird characters people had made. They were not that easy to guess and very few got all the right answers. The Young Musicians Concert on Saturday 8 October, organised by Katie Skeffington, was a sell-out and a lovely occasion. The Young Artists' exhibition had some great work, including a display of Young Craft Group pictures and puppets based on their recent trip to Giffords Circus, funded by a grant from the Malmesbury Area Board.

During the week, the Afternoon concert 'Traditional Scottish Airs' was provided by Nikki Heenan and some of her musical friends, delightful music from north of the border.

The second weekend featured the Photographic exhibition, which showed a very high standard of pictures and a special display of Nick Holland's prints. Lots of visitors admired and voted for their favourite. Delicious cakes and teas were served by Marion Gee.

The Sea Show by Squashbox Theatre – a Rural Arts Wiltshire touring event- was packed out with

children and their parents. The one-man show was very amusing, inventive and enjoyable. On the Saturday evening at the Sherston Musical Showcase, we were treated to a lovely mixture of classical, folk, and vocal items, including the SHOC choir. Piano, guitars, flute and the organ were played by local and not so local musicians. The Festival ended with the Festival Service in the Church, featuring some of the music heard at one or other of the concerts.

We have had good feedback from those attending the events and we are happy that the Festival has given pleasure. However, we are aware there is always room for improvement and would be pleased to receive any comments and offers of help for next time.

TREEtalk

NOVEMBER 2011 by Irene Johnston

Let's get going....with more volunteers

The third season of work at Grove Wood will start on Sunday, 20 November. Hopefully, the weather will let us get a few sessions in before Christmas. We're ready to begin coppicing and clearing the final section, Quarry End, though it may take a couple of seasons to break the back of it. If you've been down to the wood during the last few months, you'll know just how much progress the group has made. Just think how much more work could be done with new volunteers.

Seriously, we could do with some younger members to work on the slopes and assist our expert John Lloyd in sawing mainly hazel stools and lugging the branches down to the fire. There are more than enough jobs to go round and many hands make light work. We have quite a large number of people on our group email but the regulars (who are all getting on a bit!) would welcome extra help.

If you are interested in a healthy workout on Sunday mornings, come down and join us between 10.00am and 1.00pm on the 20 November. Go on, give it a go and help in a worthwhile environmental project that benefits present and future generations of Sherston villagers.

P.S. Please let Sue or me know if you want to be included on our volunteer mailing list. Alternatively, visit our dedicated page on www.sherston.net for regular updates on what's going on.

Observing Nature's bounty

Spring 2011 was possibly the earliest on record and signs show that autumn has been early too. Some experts believe that autumn will be early because leaves have a shelf-life, so the earlier they appear on the trees, the earlier they will be shed in autumn.

Others believe that trees continue growing and retain their leaves for as long as temperatures are high and water is available.

With such unusually warm weather in early autumn, this year's colour display is particularly spectacular. The Woodland Trust is inviting people to

Wiltshire air ambulance appeal

by Noel Banks

Wiltshire's Air Ambulance was established in April 1990 as a joint venture with Wiltshire Constabulary. The Air Ambulance side of the project is funded through the Wiltshire Air Ambulance Appeal which is a registered charity.

Everyone in Wiltshire has a stake in the Wiltshire Air Ambulance (WAA). It is an essential service that serves all the people of Wiltshire whatever their age or gender. We are there for those life and death situations where the speed of the helicopter and the skill of the crew play a decisive part in the well-being of the patient.

From our base in Devizes, WAA can be at a county incident within 11 minutes. You may have heard the phrase 'Golden Hour' - this is used to describe the hour directly after an incident has taken place. It is imperative that the injured party receives medical attention within this hour to minimise the risk of life-changing injuries or, in some cases, death.

WAA can fly and land at the scenes of road traffic collisions across our county roads or on motorways. Other situations include cardiac arrests, horse-riding accidents, work-related and sporting injuries, farm accidents, fires and burns. No two days are ever the same.

Since its launch, some 21 years ago, the WAA has attended thousands of incidents, providing an essential emergency medical service throughout the county. Wiltshire is extremely lucky to have the only Air Ambulance in the UK with the capability to fly at night saving even more lives.

In 2010, WAA attended 628 different incidences. 12% of these were night rescues.

In the year to the end of September 2011, WAA made 623 different rescues across the whole county. That is an average of more than two rescues a day.

134 of these rescues were at road traffic collisions.

94 were in response to cardiac arrests, 49 involved babies or young children, while 103 involved sporting incidents across the county.

To keep us flying we need to raise £700,000 each year to cover the running costs of the helicopter. We do not receive Government funding but totally rely on the generosity of people living in Wiltshire, local business, and those who have directly come into contact with WAA. We have established new ways to raise funds including our own lottery, a recycling scheme, and an events programme where you, our very loyal supporters, can work more closely with us at a planned event.

Our volunteers are crucial to our success as they support us locally in their community, raising funds and increasing awareness of our work. We always need more help. If you would like to know more, get in touch.

Our partnership with the Wiltshire Police is in place until 2014. We sincerely hope the partnership continues, but if the agreement is not renewed due to cuts in police funding, WAA will need to find funding in excess of £2 million per annum to stay in the air, saving lives.

Support us today as you may need us tomorrow -For more information please contact info@ wiltshireairambulance.co.uk 01380 739453 www. wiltshireairambulance.co.uk

Important information about Post Office move The post box can be used as norm collection will still take place at 5.00

In the absence of unforeseen difficulties, we are pleased to announce that we will be opening for business in the Old School on Thursday 24 November. Unfortunately, leading up this time, we cannot avoid temporary disruption to our services. We would therefore ask that you please note the following information to avoid any frustration or disappointment:

POST OFFICE

Despite our best endeavours, the Post Office has instructed us to close from Wednesday 16 November until we move to The Old School on 24 November. We will close for business at 5.00pm on Tuesday 15 November to allow a full audit to be completed.

If you require day to day cash from your bank account, we can provide this by way of cash back at the shop counter up to £50 per day.

If you need to withdraw your pension or benefits using your Post Office Card Account, you can use any Post Office. However, please note, Luckington Post Office closes for lunch 1.00pm to 2.00pm and Malmesbury opens strictly at 9.00am and closes at 5.30pm.

Stamps can be purchased at the shop counter.

For more information or to book an appointment contact

> Creative Hairdressing, 3 Market Place, Tetbury, 01666 502949 www.creativehairdressing.co.uk

The post box can be used as normal. A weekday collection will still take place at 5.00pm.

We will gladly accept any pre-stamped mail that is too large to fit in to the post box. We will also accept pre-paid Home Shopping Returns in return for a hand written proof of posting. All other mail will need to be processed at another Post Office.

Whilst we will be unable to process any bill payments, the impact should hopefully be minimal, bearing in mind that we will still be open on 15 November when Wiltshire Council rates are due and most other utility bills arrive at the end of the month.

If you have any specific queries or feel that our closure will cause you insurmountable problems, please call in for a confidential chat.

We will open every day during the period. As 24 November draws closer, our services will be reduced.

Wednesday 16 November – the shop counters, the Post Office and the main tills will all disappear. We may have to stop serving for short periods during the early afternoon to allow fittings to be removed. Saturday 19 November - Shop to close at 12.00 noon to allow the shop to be stripped of fittings and replace stock.

Monday 21 November - Newspapers, bread, milk, drinks, chilled snacks, and other essentials to be served from table tops. Newspapers will continue to be reserved.

Tuesday 22 November - Shop to close at 1.00pm. Chillers and freezers will Services as above. disappear after closure.

Wednesday 23 November - Shop to close at 1.00pm. Papers, bread, and essentials only. No milk, chilled or frozen goods.

Will the last person in please turn off the light! Many thanks,

Harvest Celebrations at Holy Cross, Sherston

Sue Robinson, Churchwarden

Harvest celebrations at Holy Cross began on 30 September when all the children from the primary school arrived in church with their Harvest gifts, after a Harvest Service in school led by Rev'd Christopher Bryan. They walked through the church, leaving their gifts in the choir, and went out through the Lady Chapel and vestry door, which fascinated some of the children who had never seen this area of the church before. The produce which they brought was used to decorate the church the next day and, together with the usual beautiful flower arrangements, make it ready for Sunday.

The 9.30am service on 2 October had a Harvest theme, but the main celebration of Harvest was held in the evening. During a special service, local farmer Nigel Freeth was interviewed by curate Rev'd Sarah Evans. He told the congregation, which included members of most of the farming families in the parish, about what it is like to be a farmer today and his concerns for the future of farming. Searching questions from people in the congregation raised some issues on which Nigel was able to throw light from the farmer's point of view leading, it is to be hoped, to a better understanding of this essential work which goes on at the heart of

our local community. The congregation included Mr. and Mrs. John Chambers from Victoria, Australia, descendants of the Cresswell family of Pinkney Park, who were able to compare notes about the weather for farmers here and in Australia.

After the service the Harvest Supper was held in church. This was a convivial event with the usual superb food and was enjoyed by everyone there. Donations of fresh produce were sold after the Supper and during the following week when the Coffee Shop and preparations for the Arts Festival brought more people into church. These sales raised £71 and this, together with the profit of £54 from the Supper itself, has produced a total of £125 for Christian Aid. All the canned and dry goods donated have been taken to the Sisters of the Church in Bristol, where they will be distributed to help people in need in the city.

Thank you to everyone who contributed to make the Harvest celebrations such a success – those who gave produce, decorated the church, took part in the services, and organised and ran the Harvest Supper.

Musical Pupils make the grade

Congratulations to eight pupils from Sherston School who have recently passed their music exams.

All received high marks from the world's leading music examining board, the Associated Board of the Royal Schools of Music:

by Judy Sharp, Practice Manager, The Tolsey Surgery

Friends of the Tolsey Surgery

We have recently expanded our Friends of the Tolsey Surgery group (FOTS) to form a more representative Patient Reference Group. If you are interested in joining FOTS, please get in touch with Judy Sharp at the surgery. No special knowledge or skills are required, apart from being willing to give your views. You will be invited to provide occasional feedback, attend meetings (either face to face or virtually) and find out more about our services.

Patient Survey 2011

The first project the new group has been involved with is a Patient Survey, which we would like as many of our patients as possible to complete. This survey is really important, so please do pick up a copy and complete it next time you're at the surgery. It only takes a few minutes and names are welcome but not required.

The surveys will be ready for collection at the surgery, at Luckington Post Office, and various other locations around Sherston from Tuesday 1 November.

If you'd prefer to complete a survey online, this option will be available from 1 November via the surgery website (www.tolseysurgery.co.uk), or if you prefer, we're happy to email a copy to you to print off and complete at home. Just call Judy Sharp on 840270.

Please complete and return your survey by Friday 25 November. If you need a copy in larger print, please call the surgery and we will send one to you.

The Bare Necessity A Calendar for 2012

The Doyles

Well, it is finally here. Not 2012 (yet) but the must-have calendar that will take pride of place on many walls in kitchens, offices, garages and garden sheds, not only in Sherston and surrounding villages, but many locations in the UK and internationally.

For several weeks now, willing volunteers have shed many layers of clothing to be photographed for the 2012 Calendar 'Doyle's Doll's. The calendar, which was the brain wave of Lynnie Willetts, comprises 11 beautiful pictures of many of our local ladies and one picture of some of Britain's finest men (ahem!).

All of these willing models were photographed within the village and surrounding areas over the last few weeks and fortunately we were blessed with fine weather. However, one of our finest landmarks - the boules pitch at The Rattlebone Inn - will never look the same again.

It would seem that everyone who took part really enjoyed themselves and we thank them all. Special mention must go to Nick and Pat who took photographs, strategically airbrushed additional material where necessary and organised what was a challenging activity. Thanks are also due to the digital printers, CPC Ltd (from Pinkney), for producing the calendar at a very generous rate.

We would also like to thank the many sponsors and generous people who allowed their venues and props to be used and finally everyone in advance who will hopefully buy a copy or two.

All proceeds from the calendar sales will be used to buy children's/youths' play equipment in the Sherston recreation ground.

There will be a launch night at the Rattlebone on Friday 4 November from 6.00pm where, along with the local press, you will be able to see the first viewing of the calendar.

The calendar will be on sale from that date onwards at Sherston and Luckington Village Shops and at a number of other local venues.

Open afternoon at Sherston Primary School

Sherston Church of England Primary School is holding its open afternoon on Thursday 17 November 1.30pm – 2.30pm.

If you'd like to get a feel for Sherston school, have a look around the facilities and meet some of the staff and pupils, you are most welcome to visit. Parents, grandparents, and children are all welcome.

For a copy of the new school prospectus, call 840237 or visit the website www.sherston.wilts.sch.uk

Sherston Primary School has recently celebrated a run of good news, having been awarded a 'good' overall rating with some areas judged 'outstanding' by Ofsted. The Statutory Inspection of Anglican Schools (SIAS) has rated the school 'good' for displaying signs of a distinctive and Christian institution. Then in September the school was re-accredited with the British Council's prestigious International School Award.

Headteacher Mr Bowditch commented, 'The best way to get an impression of our school is to come and see us in action.' So, if you are contemplating schools for your children, whether it is for the 2012 intake or beyond, we would welcome a visit from you.

Dog bins

Thanks to the efforts of parish councillor Claire Browett, new dog bins are now in place in Sherston. The long-awaited bins are at Brook Hill opposite Stretchline, Sopworth Lane by the footpath to the Cliff, and at Easton Town crossroads. Please note that all Wiltshire Council bins can now be used for bagged dog waste as well as ordinary litter. For this reason the old red dog bin by the gates to Baker Thompsons Field in Noble Street has been removed as there is another bin nearby next to the Jubilee Tree.

CF Oil, Community First's new venture that saves you money

CF Oil is a new social enterprise that will reduce the cost of your domestic heating oil each time you place an order.

All you need to do to take advantage of the scheme is to pay an annual membership fee, which will cover as many oil orders as you need during the course of the year.

Membership costs £20 per year and you normally save more than your memberships costs in your first order

The more people who get together to buy oil, the greater negotiating power of the group. It helps shift power away from the supplier and back to the customer.

The scheme normally works through a volunteer local co-ordinator, but CF Oil will act as the co-ordinator until one is appointed. Local Co-ordinators are entitled to free membership of the scheme.

If you would like to save money on the cost of your heating oil, please join our CF Oil and see how easy it is.

If you would like further information on being a member or a local co-ordinator, please contact our CF Oil administrator Jess Emery on 01380 732809 oil@communityfirst.org.uk or visit our website www.communityfirst.org.uk

THE ANCIENT ORDER OF SHERSTON MANGOLD HURLE

The 2011 Sherston Hurl will surely go down as one of the most unusual in recent years. Unprecedented high temperatures encouraged a very large number of people to attend and enjoy the spectacle whilst basking in the sunshine ice creams in hand.

In fact the good weather almost caused the whole event to be in jeopardy. Excessive heat causes mature mangold crowns to sweat profusely and exude a creamy

substance or 'myckle'. Whilst entirely innocuous, sweetly perfumed and apparently still used by some in this very parish as an aphrodisiac myckle can cause havoc with a hurlers grip. Fortunately members of the Ancient Order were well accustomed to the dangers of myckle and took the appropriate action to avoid its appearance on the day. This involved immersing the mangolds overnight in the cold waters of the river at Mill Cottage using a reconstruction of the parish ducking stool so lovingly created by Phil and Caroline Moore.

The myckle was initially discovered by our Summoner Graham Hayman whose acute sense of smell immediately warned of its presence when the mangolds were lifted the previous day to the Hurl. An intrepid band of members travelled over the border just before dawn to Newark

Farm at Ozleworth to lift the crop so kindly grown for us again this year by the Redman family. At the lifting there was some concern as to the size of the mangolds for it was clear that the dry spring had resulted in much smaller roots than usual. After much searching however a suitable number of Class A mangolds were lifted including some extra heavy Normans and brought triumphantly to the village in the customary cart.

Saturday evening saw Normans duly anointed in the Rattlebone Inn by a somewhat nervous Mangold Maid Lizzy Ward who clearly found their size difficult to cope with. Fortunately assistance was forthcoming from ladies of much previous experience most notably Jennie Lamont who so readily casts aside all inhibitions at the sight of a mature Norman

glistening before her.

Proceedings on the Sunday were commenced with a magnificent entry to the field by the Mangold Maid atop the cart and a most acclaimed first public performance on the Great Horn of Moyne by Graham Hayman as he summoned the Order. This year's rendition of an 'Ode to a Mangold Hurl' was thought by many to be one of the best ever.

The Hurl itself attracted a record entry of 20 teams which in the course of the competition resulted in something of a crisis for the rules committee sitting in the Easton Town bus shelter when no less than 5 teams won through to the semi final stage. After much deliberation a knockout

formula was devised to get proceedings back on track. Meanwhile the crowds of spectators enjoyed the musical entertainment provided by both the Dodington Parish Band and the Mangledwurzels.

It was the Hawks team of Rob Punter, Duncan Stiles and Jock Walker that won the day beating the Gentlemen of Gien in a thrilling final. Kevin Smith was duly crowned Mangold King for 2011 after his superb effort in the longest hurl competition.

Thanks on the day must go to Paul Ormiston for keeping the lists, Margot Holland for the stalls, Jason Read on the bar and Lynette Willetts with friends and family for the BBQ. Special thanks too for Jill Cainey and Shane McEwan. Who so gamely entered into the spirit of the whole event and in particular undertook their umpire duties with such professionalism.

Tracklements Open Day - Saturday 19 November 2011

The time is here again. This festive season, Tracklements is throwing its doors open to let you see the wonder of chutney making. That's right. On Saturday 19 November from 9.30am to 1.00pm why not bring friends and family to our factory in Whitewalls where you can follow the raw ingredients and spices on their adventure through chopping, stirring, simmering and bubbling right through to bottling. There will be plenty of mulled wine and delicious sticky onion marmalade sausages for you to enjoy and it's a great opportunity to get some stocking fillers whilst you are here. Our onsite shop will be open with jars galore and free recipe cards accompanying lots of products. We have also invited a few other speciality food producers to come along with their delicious offerings. With bespoke hampermaking on site, you've got all the ingredients you need to make the perfect Christmas present. We hope to see you there. Tracklements is located along the B4040 between Sherston and Malmesbury. Turn into Whitewalls and continue straight to the end. We are the last building on the left.

Cricket Presentation Evening

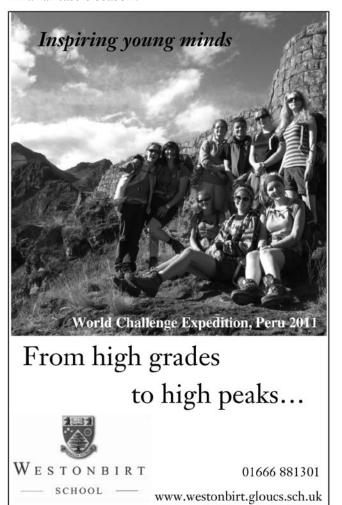

by Chris Lovell

On Saturday 15 October Sherston Magna Cricket Club held its traditional end of season presentation evening over a fantastic four course meal at the Rattlebone Inn. Kevin Smith provided a summary of the season which has included not only competitive league cricket for the senior Saturday and Sunday sides, but has seen competitive cricket for the junior team and the successful introduction of a Sherston Ladies side. The ground has also hosted regular midweek cricket from the Rattlebone and Carpenters Arms representative sides.

The purpose of the dinner is to recognise those players who have had outstanding seasons for Sherston at cricket. The winners are listed below.

Matt Goodwin - Fielder of the Year

Having taken over as regular Saturday wicket keeper for the first time (a fact not missed by Kevin Smith) Matt took 11 catches, 2 stumpings and played in every Saturday league game. If this was not outstanding enough, Matt also scored 234 runs in a fantastic season.

Ben Littlejohns - Batsman of the Year

Ben scored 276 runs in 10 innings at an average of 34.5 on Saturdays. Having missed some games at the beginning of the season with a lingering elbow injury, Ben was on fire at the end of the season with back-to-back fifties in August. Ben also chipped in with 4 catches.

James Kutchera - Bowler of the Year

James started his first season at Sherston with a flourish. Taking 27 Saturday league wickets he was clearly the leading wicket taker on Saturday. James also took 8 catches and scored 153 runs, so allround a very satisfactory start at Sherston.

Milo Morgan - Young Player of the Year

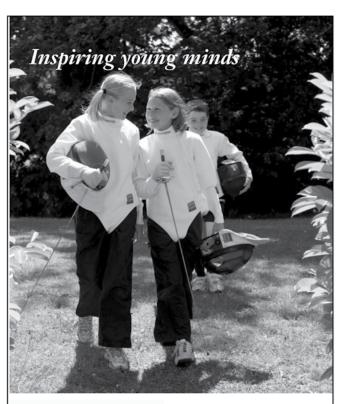

Milo only had a few league games on Saturday, but showed enough potential and real ability to thrive in the future. His lack of fear when batting belied his age and he is clearly a star of the future.

Charlie Green - Sunday Player of the Year

Charlie has had a great season in the Sunday League XI. It has not always been easy with new sides in the league clearly destined for higher division often proving far too good for a village team. But Charlie always enjoys his cricket and has set a fantastic example to younger players.

Richie Cartwright - Player of the Year

Richie scored 461 league runs at an average of over 50 and was clearly the top batsman for Sherston in 2011. So much so that he also won the top batsman award from the Cotswold and District Cricket Association (CDCA), the organisers of the Saturday league. Richie also took 8 wickets including a near match winning 4 for 29 against league winners Adlestrop and 6 catches.

Preparatory Day School & Nursery for Boys & Girls (3-11)

01666 881375 www.rhwestonbirt.co.uk

Paul Jarvis - Clubman of the Year

Paul has had his first season for Sherston this year and came in to the club with unquestionable playing and coaching credentials. By setting up weekly coaching and practice sessions for all the senior players the club has benefited with the emergence of fine young players such as Jamie Benson, Max Marq and Andy Pegg. Paul has also helped with the junior cricket and established regular ladies coaching and organised the first competitive game for the ladies team. The former England test player also helped out by playing a few games on Saturday including the season's best bowling performance of 6 for 33 against Adlestrop. Paul has recently been appointed England Ladies bowling coach but has still found time to support his local cricket club.
