STAY SAFE ONLINE

The Wiltshire Bobby Van Trust (WBVT) is a registered charity working in partnership with Wiltshire Police. The WBVT provides a team of trained and police vetted Stay Safe Online volunteers to offer one-to-one home visits and group talks

Topics covered include:

- Improving your digital and cyber security knowledge
- Cyber and scam prevention advice
- Signposting you to future advice and resources
- Providing support and reassurance
- Offering basic practical skills to ensure you can check and understand privacy settings

Our Stay Safe Online Coordinator will discuss your online safety needs and one of the team will contact you to arrange a home visit or group talk. Visits are made by appointment only.

Computer crime is one of the fastest growing crimes targeting the over 60s. The aim of the volunteers will be to visit the client's home to offer a tailored service to improve their awareness of online security and help them to identify potential risks.

"I wish to thank you for providing the two operators who recently visited my home to give their expert advice on computer security and home and fire safety.

They were both very thorough, patient and gave my husband and myself much piece of mind with their advice, together with the fitting of additional security measures."

Mr & Mrs H, Swindon

HOME SECURITY

The Wiltshire Bobby Van Trust also provides a free home security service.

Our aims are to:

- Improve the security of homes occupied by over 60s and 18+ with a registered disability to prevent house crime
- Improve the security of homes of domestic violence and abuse victims
- Reduce the incidence of repeat crimes
- Reduce levels of domestic fire incidents by promoting awareness of fire safety, detection and prevention
- Offer reassurance and advice on crime prevention and sign-post to other agencies

Visits are made by appointment only.

After our Bobby Van Security Operators have conducted a security check and fire risk assessment they will give expert advice on all aspects of home safety and security, and supply and install appropriate equipment to improve home security.
